Report of Selectmen

To the Citizens of the Town of Millbury:

The Board of Selectmen respectfully submit the reports of the various Town Officers for the year ending December 31, 1974.

Attendance record for the Board of Selectmen from January 1, 1974 through December 31, 1974:

Number of Regular Meetings Held — 45

John S. Donnelly, Jr.	43
Hymen J. Hy Sc'ar	42
Harold F. Ostrowski	45

Number of Special Meetings Held — 7

John S. Donnelly, Jr.	7
Hymen J. Hy Sclar	6
Harold F. Ostrowski	7

The Board had the pleasure of participating in the dedication of the Municipal Office Building on March 3, 1974. The main speaker was Harold D. Donohue, United States Representative in Congress for the Third Congressional District. The Selectmen accepted the keys to the building and congratulated the Municipal Office Building Committee for an attractive and well constructed building. The public was invited to tour the building and refreshments were served.

The Selectmen voted to join the Massachusetts League of Cities and Towns so that the Town could remain abreast

with bills being filed in the House and Senate in Boston. Also, Massachusetts League information and expertise on all areas of Town Government is now available to Millbury.

The Town voted to join in a suit with the Massachusetts League of Cities and Towns to recover money due under the Police Incentive Pay Program as compelled by Chapter 41, Section 108L, of the General Laws. This suit was won by the Massachusetts League of Cities and Towns and we are now awaiting our share of the reimbursement from the State.

We met with the Selectmen from the Towns of Grafton and Oxford regarding the acquisition of the Massachusetts Water Works Company. An Article was placed in the Warrant for the Special Town Meeting on September 30, to acquire the Water Company. After hearing from our Engineering Firm on the pros and cons of purchasing the Water Company, the Town voted not to purchase the Water Company.

The Worcester County Advisory Board was created in Worcester County to advise on the County Budget. As of this report, two meetings have been held and some progress has been made toward acceptance of this budget.

During the past year, the Town voted to join the Worcester Regional Transit Authority. This Authority to date is comprised of the City of Worcester and the Towns of Boylston, Grafton, Holden, Leicester, Millbury, Shrewsbury, Spencer, and Westboro. This Authority has had numerous meetings to establish rules and regulations and also to establish agreements and contracts for Mass Transit in this area.

The Town has entered into a consortium agreement with the City of Worcester and twelve other Towns for the purpose of sponsoring manpower and manpower related training programs under the new Comprehensive Employment and Training Act (C.E.T.A.). The Town has been promised funds to pay for this employment, but has not yet received any.

With the passing of the new law to insure high quality Emergency Medical Care through regulation of Ambulances and Ambulance Service, a Committee has been formed to determine the need for ambulance service in the community. This Committee will report at the Annual Town Meeting.

At the Annual Town Meeting, the Town authorized and empowered the Board of Selectmen to appoint an Administrative Assistant. The Selectmen advertised in papers and magazines throughout the State and Country. We received more than one hundred fifty applications for this position. The Personnel Board interviewed all applicants and selected ten finalists. Lawrence A. Brodeur, who was working for the Town of Shrewsbury, was appointed. Mr. Brodeur assumed his new position on September 30, 1974. The Board of Selectmen wish to thank the Personnel Board for their help with this selection.

At the Annual Town Meeting in May, a sum of money was transferred from the Federal Revenue Sharing Fund to construct a new Municipal Garage on the Bedrosian Property on Providence Street. This building is near completion and the Highway Department will be moving in during the early part of 1975.

The Board of Selectmen wishes to express their appreciation and thank all the elected and appointed officials and all employees of the Town of Millbury for their cooperation throughout the year.

Respectfully submitted,

JOHN S. DONNELLY, JR.,
Chairman

HYMEN J. HY SCLAR, *Clerk*

HAROLD F. OSTROWSKI, *Member*

Report of the Registrars of Voters

To the Honorable Board of Selectmen and the Citizens of Millbury:

During the past year, the Registrars held nine special meetings, twelve evening sessions and three Saturday sessions. The following attendance record is herewith attached.

REGISTRARS				PERCENTAGE OF
	SPECIAL MEETINGS	EVENING SESSIONS	SATURDAY SESSIONS	MEETINGS ATTENDED
William H. Cournoyer	9	12	3	100%
Joseph A. Stead	9	12	3	100%
James Stewart	9	12	3	100%
Oran David Matson	9	12	3	100%

On May 22, 1974 the Registrars met to certify five petitions to hold a recount for the office of School Committee. The recount was held on May 31, 1974, the result is included herewith.

The breakdown of registered voters by precinct as of December 31, 1974, is as follows:

PRECINCT	DEMOCRATS	REPUBLICAN	UNENROLLED	TOTAL
1	970	132	733	1,835
2	646	190	673	1,509
3	565	158	480	1,203
4	587	81	340	1,008
5	471	89	314	874
	<hr/> 3,239	<hr/> 650	<hr/> 2,540	<hr/> 6,429

The following are the results of the votes cast in the Annual Town Election, May 11, 1974.

	Prec. 1	2	3	4	5	Total

Report of Building Inspector

To the Honorable Board of Selectmen

I hereby submit the annual report of the Building Inspector and Zoning Agent, duly appointed by you, for the period ending December 31, 1974.

As I write this report, we find ourselves in an economic and inflationary period that makes people stop and think, if it has not hit us yet, as to the outcome of this situation, and how it is going to affect us.

As a barometer in so far as the issuance of Building Permits, new housing starts are down one half from last year, but there seems to be one bright spot, and that is the construction of additions, alterations and new buildings in Industrial & Commercial areas have been on the increase.

Since my last report, this Department has moved part of its operation in the New Municipal Office Building. It

has been of tremendous assistance, not only to myself, but to other Departments, and I am able to serve the public better.

As some of you are already aware, as of this date, The Mass. Building Code Commission is putting the final touches on the massive set of code regulations, in which will supercede and abolish existing Building Codes in every city and town in the State. A few final changes are now being made in the code which becomes effective January 1, 1975.

The code prepared after four years of study, covers subjects ranging from safety requirements to concrete testing standards, to minimum training requirements for Building Inspectors. Enforcement of the Building Standards is expected to be increased through a new Regional Program setup by the commission in coordination with the Department of Public Safety. Thirty-two Public Safety inspectors will be assigned geographical areas and will provide a backup for local inspectors and officials such as myself. The State Inspectors will have the power to overrule local officials, though they can be overruled by a successful appeal to the State Commission.

To free State Inspectors for their new duties, their current annual inspections, which include, schools, churches, nursing homes, places of assembly over 400 Etc., will be taken over by this Department. All the files relating to the above mentioned places, will be turned over to this Department.

Due to the additional work load this Department is expecting because of this transition, there will be an adjustment in my budget, if it is approved. I might add that added fees that will be collected because of added inspections and issuance of certificates due to the transition will more than make this a self sufficient department.

In the past year there have been an average amount of Zoning problems that have come up. Some will be resolved by amending the Zoning By-Law with the recommendations of the Planning Board and others that have been refused by the Building Inspector and Zoning Agent have been and will be resolved by the Board of Appeals.

As I reported last year, this Department would like to remind the citizens of the Town of Millbury, that all additions over 64 Sq. Ft. will require Building Permits, any alterations will be deemed by the Building Inspector whether or not they require a Building Permit.

Also a Building Permit is needed for all inground pools and apex type pools. Any above ground pools with more than 4000 gallon capacity will be required to comply with our Zoning By-Laws.

As of January 1, 1975 Fire alarm warning system will be required in all new one and two family dwellings and multi-family dwellings.

Again I thank every Department and Citizen of the Town of Millbury for their help and cooperation throughout the year.

Applications may be obtained at the Planning Board Office from 10 A.M. to 4 P.M. Monday through Friday also by dialing 755-5432 anytime after 6 P.M. My Office hours are on Tuesday Evening, 7 P.M. to 9 P.M. at the Municipal Office Building.

Respectfully submitted,

FRANK J. PISCITELLI

Building Inspector and Zoning Agent
Town of Millbury

Total Permit Fees collected for the period ending Dec. 31, 1974. Amount — \$1,152.00.

Expenses	744.80
	<hr/>
Balance as of Dec. 31, 1974	\$755.20

Respectfully submitted,

FRANCES COLBY ANDERSON

Animal Inspector

Veterans' Service Department

To the Honorable Board of Selectmen:

As Veterans Agent, I herewith submit my report for the year ending December 31, 1974.

Numerous applications and claims have been processed through this office during the past year, and submitted to the various agencies of Local, State and Federal Governments. These applications were for Veterans Aid, State Bonus, Burial Allowances, Widow's Pensions and Veterans' Pension and compensation.

Due to the present economy, the case load for financial aid has increased, therefore bringing an increase in expenditures.

I wish to thank the Board of Selectmen and all other departments for their continued co-operation.

FREDERICK E. LUCAS

Veterans Agent

Report of Sewerage Commission

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury, we respectfully submit our Annual Town Report for the year ending 1974.

Major goals of the Commission achieved during this year were:

1. Rules and Regulations for the construction of, and use of, the town sewerage system were advertised and accepted by this Board on September 26, 1974.
2. Established a minimum period of time that dwellings would be assessed the betterment in order to establish a good cash flow. This period of time is five years from September 26, 1974. At this time all property owners on the present sewer line will be charged a betterment even if they have not connected into the system.

3. Completed construction of a pump station for both Elmwood Street School and the New Middle School.
4. Connected twenty houses and industry which exceeds last year's construction by twenty-five percent.
5. Continued to work toward a final long term Master Plan that takes into consideration the town's sewerage system over the next twenty-five years.
6. Worked with Consultant on the design of a Septic Waste Handling System in order to serve the unsewered citizens of Millbury.
7. Worked with the Town of Sutton towards the completion of tying in the Wilkinsonville section of Sutton to our Treatment Plant.

In addition, the Town was able to obtain National Pollutant Discharge Elimination System (NPDES) Permit, which allows us to discharge the town's treated waste water into the Blackstone River. This is under Federal and State regulations.

We are also scheduled to meet very shortly with the Upper Blackstone Water Pollution Abatement District Board to discuss using the Worcester Plant as a means to dispose of our septic waste. This would result in a substantial savings in construction to the Town and negate our accomplishments made on goal No. 6 above, but the Board again feels it would be to the citizens advantage to be able to dispose of our septic waste at the Worcester Plant.

The following list shows the amount of construction accomplished throughout the year. As pointed out in last year's report, this results in approximately a fifty percent savings to the Town versus bidded cost.

<i>Site</i>	<i>Total footage installed</i>
# 1 — 34 Howe Avenue	24 ft. 6" Transite pipe
# 2 — 24 Elm Street	35 ft. 6" Transite pipe
# 3 — 14 Elm Street	13 ft. 6" Transite pipe
# 4 — 34 Elm Street	43 ft. 6" Transite pipe
# 5 — 51 Howe Avenue	8 ft. 6" Transite pipe
# 6 — 49 Howe Avenue	18 ft. 6" Transite pipe
# 7 — 45 Howe Avenue	14 ft. 6" Transite pipe
# 8 — 50 Howe Avenue	227 ft. 6" Transite pipe
# 9 — 73 Canal Street	30 ft. 6" Transite pipe
#10 — 17 Elm Street	112 ft. 6" Transite pipe
#11 — 48 Main Street	19 ft. 6" Transite pipe

#12 — 50 Main Street	18 ft. 6" Transite pipe
#13 — 28 Main Street	14 ft. 6" Transite pipe
#14 — 19 Main Street	35½ ft. 6" Transite pipe
#15 — 18 Main Street	45 ft. 6" Transite pipe
#16 — 32 Howe Avenue	58 ft. 6" Transite pipe
#17 — 22 Howe Avenue	25 ft. 6" Transite pipe
#18 — 18 Howe Avenue	30 ft. 6" Transite pipe
#19 — 122 Main Street	10 ft. 6" Transite pipe
#20 — 25 Main Street	30 ft 6" Transite pipe
Elmwood Street School	26 ft. Water pipe
	36 ft. 6" Cast Iron pipe
	65 ft. 8" Transite pipe

Have accumulated \$195,438.05 as of December 31, 1974 in the Sewer Reserve Account for future sewer line expansion of which we will be asking for your vote to transfer some of this money for construction this year.

Have also collected \$31,614.00 in Users Fees that goes into the regular Town Account, which off-sets approximately forty percent of our budget.

Major disappointment:

1. Not able to expand the main sewer line of the present system, but are planning to send this out to bid in 1975.

Goals for this year:

1. Consummate the Sutton Agreement.
2. Try to obtain Federal or State money for expansion of present system.
3. Make decision in regards to best way to handle septic wastes.
4. Obtain approval from the Central Massachusetts Regional Planning Commission of the Town's Sewerage Master Plan in order to file for funds under the Housing and Community Development Act of 1974.
5. Continue to connect present property owners to the system by constructing the laterals to the property lines.
6. Work with the Planning Board to establish Rules and Regulations on subdivision sewer lines within the complex of the Municipal Sewer System.
7. Continuously strive to meet our Federal and State Discharge Permit.

Attendance Record —

(45 regular meetings held in 1974)

George E. Buron	attended 40 meetings
Leo P. Bachant	attended 41 meetings
Richard E. Prue	attended 45 meetings

- 1 — Public Hearing.
- 1 — All day trip to Boston.
- 2 — Plant tours with other Municipal Agencies.
- 14 — Field inspections for sewer abatement decisions.

Respectfully submitted,

GEORGE E. BURON, *Chairman*

LEO P. BACHANT, *Clerk*

RICHARD E. PRUE, *Member*

Report of Tree Warden and Supt. of Insect Pest Control

To the Citizens of Millbury and Honorable Board of Selectmen:

Pruning and limbing of street trees, also brush and poison ivy control was carried out during 1974. Roadside trees cut down and removed for disposal were; 111 Elm, 43 Maple, 21 Ash, 8 Poplar, 8 Cherry, 60 Oak, 4 White Birch, 1 Weeping Elm, 1 Pine, and 1 Apple Tree.

Bark Beetle, the carrier of Dutch Elm Disease, once in a tree seemed to move at incredible speed this year. I believe this was due to weather conditions. Some of the larger Elms that look healthy in the spring were almost completely brown in July and August.

Maple's biggest enemy is the salt and chemical used on streets for ice and snow removal.

All eight of the Poplars taken down were three to five feet in diameter and were approximately 45 years old. Poplar is not a long life tree; but I believe they had help from the Satin Moth.

Other infestations were Arborvitae Leafminer. This showed up in early spring and in some cases, the Arborvitae turned almost completely brown. Treatment was very successful for people that sprayed with a mixture of Mabtheon and Carbaryl (Seven) during the first or second week of June. Fall Web Worm peaked in 1973; but, we also got a lot of help from the weather. The infestations were smaller and in some sections that they were heavy in 1973 had practically none.

Fifty Maple trees were planted along Town streets; I intend to start to mix in a hardy tree with more tolerance to salt and dust trees this year. Due to a mix up on the Arbor Day Committee, I could not buy the seedling until very late. We parked our truck at the center of Town and handed out 550 free Scotch Pine seedlings to citizens of Millbury, the program was quite successful. I would like to do the same again this year; but I should have time to advertise this year.

Respectfully submitted,

JOSEPH O. CAPISTRON

Report of Dog Officer

To The Honorable Board of Selectmen:

The activities of this department for the year 1974 are as follows:

In 1974 there were 320 complaints received. A total of 151 stray dogs were picked up; 56 of which were returned to their owners, 30 were sold, and the remaining 65 were destroyed. Also during the calendar year, 148 dead animals were removed from the streets.

The law governing the number of days a stray is kept was again changed last year. A stray dog must be kept for seven (7) days, and, if by the end of the seventh day the dog has not been claimed, it is either sold to a new family or destroyed.

Throughout the year I received a great deal of assistance from the Police Department and many members of the other municipal departments. I shall take this opportunity to express my sincere thanks.

Respectfully submitted,

WILLIAM C. WILKINSON
Dog Officer

Helen T. Benoit	5	5	0	0
appointed 9/25/74				

	Appropriated 1974-75 Budget	Expended 1974	Balance 12/31/74
Salaries (All Others)	\$500.00	\$250.00	\$250.00
Supplies & Materials		706.65	336.40
Other Expenses:			
Commission Dues & Att. Meetings		142.50	
Publication Purchases		24.00	
Engineering Fees		2,382.00	
Miscellaneous		118.74	
		<hr/>	
		\$2,667.24	\$1,516.92
Land Acquisition		3,300.00	10,450.00

In July, 1974 the Commission opened a recreation area on the shore of Brierly Pond. Five sturdy picnic tables were, supposedly, permanently installed. By November one table had been stolen and the others had been broken and the pieces thrown into the water. No Parking signs during the hours of darkness have been erected and the Police are patrolling the area. The Commission plans to reopen this

area in the spring for the enjoyment of the residents of Millbury with the hope that this time the area will not be vandalized.

By the end of 1974 a 130 acre site was acquired in West Millbury, 104 acres from George B. Stowe, 15 acres from Dorothy Day and 11 acres from Mr. and Mrs. Walter Magnuson. This area named "Stowe Meadows," is bounded by Auburn, Carleton and Stowe Roads. Predominantly wooded, it contains some marshland, a small pond and part of Ramshorn Brook. Designated as a wildlife sanctuary, it offers such recreation as hiking, fishing and bird watching. The use of mechanized vehicles and the transportation of firearms is prohibited.

Under Chapter 132A, Section 11, of the General Laws, known as "The Self-Help Program," the State of Massachusetts reimbursed the Town of Millbury \$14,500.00, approximately one half the purchase price of this land.

Our most recent acquisition brings the total of Town owned Conservation land to 215 acres. Negotiations regarding the acquisition of additional parcels of land throughout the Town are in progress.

Previously acquired areas include the Davidson Sanctuary, 28.5 acres between Stone Street and Stowe Road; 34.5 acres off West Main Street near Mill Road; and 22.1 acres adjacent to Brierly Pond.

We urge anyone who wishes to sell or to donate land for Conservation purposes to so inform this Commission.

We also urge anyone who is sincerely interested in Conservation and land, to consider a Conservation Restriction. Such a restriction, in addition to insuring a property owner that the integrity of his land will be maintained in perpetuity, provides certain tax advantages, i.e., real estate, inheritance and income.

We ask each resident of Millbury to support our effort to preserve as much as we can of what little "natural" land modern technology has left us.

Respectfully submitted,

ROBERT A. BOUCHER, *Chairman*
ROBERT W. HUMES, *Vice Chairman*
SANDRA J. HJORT, *Secretary*
VICTOR C. IRR
HELEN T. BENOIT
LINDA J. SILUN
JOHN E. SWEDBERG

Report of Millbury Public Library

To the Honorable Board of Selectmen
Millbury, Massachusetts

We herewith submit our annual report for the year 1974. The report of the Librarian is included.
To the Trustees:

As Librarian of Millbury Public Library since July 1, 1974, I submit the following report:

During the year 1974, the library was open 277 days.

The total number of books added to our collection was 1,281 (1,022 purchased and 259 donated). Also added to our collection were 410 paperback books (52 purchased and 358 donated), a series of five art prints available for loan, and six posters given to us by the Central Massachusetts Regional Library System. Another service, that of a coin-operated copying machine, was also installed in the library for public use.

The additions noted above bring the total library holdings to 12,305:

Fiction	3,360
Juvenile	2,331
Non-fiction	6,193
Paperbacks	410
Art prints	5
Posters	6

The circulation statistics for the year are as follows:

Fiction	11,956
Juvenile	8,817
Non-fiction	6,241
Magazines	788
Records	67
Paperbacks	634
Art prints	24

The total circulation for the year was 28,527, an increase over the year 1973 of approximately 6%.

Since July, we have had a large increase in the number of Interlibrary Loan requests (approximately 95 since July 1) and the number of films borrowed from the Central Massachusetts Regional Library System for area schools and organizations (50 since July 1).

Changes in the staff at Millbury Public Library include the retirement of Miss Mamie Bailey in July after 43 years of service to the library and of Mrs. Blanche Army in September after 16 years.

During the month of August, Millbury Public Library ran a Film Festival one morning a week for children for five weeks. It was well attended with between sixty and eighty children at each showing.

During the first two weeks of September, the library ran a Book Fair. All of the books sold at ten cents apiece and were donated to us by the people of Millbury. We also sold a set of encyclopedias, also given to us, for ten dollars. The total amount of money made during the Fair was \$82.17 which we used to purchase a paperback rack for the library.

At the end of September and into October, in order to begin our Pre-school Story Hour, we showed films to the pre-schoolers for three weeks. After that, our Pre-school Story Hour began in earnest. Because of the large number of children who signed up (over forty), it was necessary to open up three sessions each week — Tuesday, Wednesday, and Friday mornings at 10:00 a.m. Volunteer mothers, with the assistance of the Librarian, conduct the sessions. The Library would like to thank Kathleen Bird, Theresa Mattus, Collette Walsh, Beverly Gannon, Patricia Wade, Mary Clark, Paula Schraffa, Mary Ann Dube, Joan Hoel, and Paula Rigerio for volunteering their time and efforts to make the Pre-school Story Hour the success that it is. We would also like to thank the Millbury Elementary Mother's Club for their donation of a General Electric Stereo Portable Phonograph for use during the story hours and other library programs and for the donation of money for supplies used at the story hours.

Also during the school year, the Library and the Librarian offered library orientation programs to the school children of Millbury.

During the month of October, the library ran a "Pumpkin Face" contest for the children of the town. The prize of the library pumpkin was awarded to Lisa Picard, a third grader at the Center School.

At Thanksgiving-time, the library presented the film "Chumps at Oxford," starring Stan Laurel and Oliver Hardy. Several children attended and enjoyed the film.

At Christmastime, the library purchased a Christmas tree and allowed the children of the town to decorate it with

homemade ornaments. We also played Christmas carols and songs for our patrons during the afternoons.

Other recent changes at Millbury Public Library include monthly displays of books, a monthly list of new books available to patrons to take home, paperback books, records, art prints, posters, and a suggestion box. I also write weekly columns in both the "Millbury Journal" and the Millbury edition of the "News Recorder." We have continued our service to the Housing Authority by placing books in the elderly housing projects and the Pine Grove Villa Nursing Home.

We would like to thank all of the following who donated books to us and to all of those anonymous people who dropped their donations in the Book Bank: Singletary Rod and Gun Club, William Grout, Pi-Da-Ka (Mrs. Ida Taylor and the third grade Bluebird group), Richard Witkowski, Luanna Holland, Mrs. Robert Briddon, Mrs. Barbara Wood, Mrs. Evelyn Spinner, Mrs. Mary Morse, James Tosteson, Mrs. Raymond H. Cross, Helen Hamilton, Shirley Fougere, John Boulette, Tom Hamilton, Barbara Whittier, Mrs. Geraldine Kirkman, Mrs. Modig, Richard N. Kenary, Nancy LeClaire, Suzanne Bernard, Mrs. Ball, Mary Grogan, Anita Hudson, Gloria Dennison, Stella Cullina, the Graveline family, Mrs. Harry W. Taft, Mrs. Harold Goff, Peg Contois, Mrs. Evelyn Logan, Delorice Wilson, Marie O'Mara, Joseph Malky, Mrs. Emma Martin, Dorothy Fellows, Mrs. Norton, Mrs. Ryan, Mr. and Mrs. Robert Marchand, Barbara Howe, and Mary Boire. We would like to thank Mr. Arthur Briddon of the "Millbury Journal" for the publicity during our Book Fair.

SUSAN A. THERRIAULT, Librarian

Trustees:

DENNIS L. KELLIHER, *Chairman*
AURELIE BURBANK
RICHARD N. KENARY

LIBRARY EXPENSES FOR 1974

January — June

Report of Millbury Housing Authority

The Millbury Housing Authority herewith presents the annual report for year ending December 31, 1974.

200-1 VETERAN'S PROJECT

This project remains fully occupied at the end of its 24th year. During the course of the year, three refrigerators were replaced, bulkheads on all units were replaced, all units were painted, new gutters and drain pipes were installed where necessary and damaged doors were replaced where needed.

The paint contract and bulkhead contract went to the lowest bidder, B.R.W. Enterprises, Inc. All other repairs were routine maintenance.

Mr. Stephen Witkowski and Mrs. Nancy George represent the Tenants' Grievance Association in the 200-1 project.

667-1 ELDERLY PROJECT

This project remains fully occupied at the end of its 14th year. During the course of the year, three refrigerators and two stoves were replaced. All other repairs were routine maintenance.

The tenants at the Linden Apartments would like to thank the many clubs, organizations and individuals for their thoughtfulness. Some of the events enjoyed by the tenants were: A visit from the children (and teachers) of the Providence St. School dressed in Halloween Costumes; The Millbury Women's Club invited the Senior Citizens to a Christmas party and entertainment in the Clubhouse on Miles St. A delicious lunch was served and a Christmas Gift was received by each and gifts sent to the shut ins. The St. Brigid's Women's Club extended an invitation to a White Gift Mass, followed by entertainment and a delicious lunch in the church hall. Those who were able, enjoyed a wonderful Christmas Party dinner at the Town Line Club. A special thank you to Mr. Oran and O. David Matson for bus transportation and scheduling a trip to LaSalette in Attleboro. We are grateful to the Millbury Society of District Nurses who attend to the senior citizens on the third Wednesday of every Month, this included a sugar test.

The recreation hall is put to use for the many card parties, bingo and a monthly Mass. With the transfer of Rev.

Peter White, we are happy to celebrate with Rev. Bernard Davenport of St. Brigid's.

Mrs. Ruth Collette, Mrs. Osama Ward and Mrs. Florence Jensen represent the Tenants Grievance Association for Project 667-1. Mrs. Ruth Collette represents the tenants on the board of the Millbury Council on Aging.

667-2 ELDERLY PROJECT

We are happy to report that the new housing for the Elderly, completed on December 15, 1973 and located on Colonial Drive has completed its first year of occupancy. All sixty units were occupied as of February first and remain fully occupied. Dedication of the new project was held on May 19th with many dignitaries, town and state, attending.

The senior citizens of the Colonial Drive apartments wish to thank the club and organizations for including them in their invitations along with the Linden Apartment tenants. The District Nurses visit the tenants at Colonial Drive on a monthly basis.

The community hall has seen many events, such as a Christmas Bazaar, pot luck supper, bingo, New Year's Eve Party and group meetings. The tenants also attended a supper at Wright's Chicken Farm and a Christmas Party at The Dark Brook Restaurant.

Mr. Henry Ballard, Mr. Edward Commeau, Mrs. Edward Commeau, Mrs. Edna Perkins, and Mr. Winthrop Parker represent the Tenant Grievance Association in Project 667-2. Mr. Henry Ballard represents Colonial Drive tenants on the board of the Millbury Council on Aging.

PROJECT 707

The Housing Authority is proud to announce it has rented its first apartment under the 707 project (low income housing) in December of 1974. We look forward to being able to provide more apartments under this new project in the coming year.

MAINTENANCE

Mr. Ernest Tarbox was appointed as full time maintenance man on January 15, 1974. Part time maintenance help were Mr. Richard Handfield and Mr. Albert Gagliardi. Due to a conflict of interest, Mr. Tarbox's appointment was terminated on August 28, 1974. After advertising, inter-

views were held on September 24th. Mr. Robert Fisher was awarded the job of Full Time Maintenance Man.

RECORD OF ATTENDANCE FOR ELECTED MEMBERS

Report of Plumbing Inspector

To the Honorable Board of Selectmen:

I hereby submit my report as Plumbing Inspector for the year ending December 31, 1974.

122 Plumbing Permits were issued for the year.

Expenses were as follows:

	Appropriated	Expended	Balance
1973-74 (18 months)	\$3,000.00	\$2,672.00	\$328.00
	Appropriated	Expended	Balance
1974-75 (6 months)	\$2,000.00	\$414.00	\$1,586.00

Plumbing Permits are issued at the Board of Health Office to licensed Plumbers. The fee for each inspection is \$6.00.

Respectfully submitted,
ARTHUR NORTON

Report of Industrial Development Commission

To the Honorable Board of Selectmen and the citizens of Millbury, we hereby submit our annual report.

Over the past year, the Industrial Development Commission has concentrated much of its efforts on adding two parcels of land to the existing industrial acreage. These two parcels are adjacent to Route 122A near the Sutton Line and along Route 20 in what is commonly known as the Latti Farm. These two additions, which were approved at the September, 1974 Town Meeting, could prove to be of significant industrial value to the Town.

In addition, the Commission, working closely with the Planning Board, has endeavored to tighten the By-laws concerning industrial development. The result was the formulation of an Industrial Park District which will be in effect, at the Route 20 site. We hope this by-law change will insure attractive industrial areas and provide both an enlarged financial base and a new concept in industrial development in Millbury.

The Commission has also begun to formally gather information necessary to attract desirable industry to Town. We appreciate the cooperation of several boards in assisting us in this endeavor, specifically the Assessors, the Sewerage Commission, the Planning Board, and the Planning Assistant.

We look forward to the continuation of the past year's progress. Specifically in terms of increasing our contact and cooperation with all Boards and Committees dealing with development and in doing the ongoing research necessary to remain abreast of current conditions that effect industrial development.

The Commission would like to thank all Boards and Committees with whom we have worked for their cooperation and assistance.

Respectfully submitted,

THOMAS J. FOX, JR., *Chairman*
RICHARD J. BOIRE, *Clerk*
KARL L. BRIEL
FRANK GIACAPELLO
HYMEN J. HY SCLAR

Report of Safety Officer

To the Honorable Board of Selectmen and Citizens of Millbury:

I hereby submit my annual report for the year ending December 31, 1974. All programs and Safety Instructions presented throughout our school system were approved by the Chief of Police and Superintendent of Schools with the utmost cooperation of Principals and teachers of each respective school.

I have attended 24 Safety Meetings during the year; 12 during the day, and 12 during evenings in various Cities and Towns throughout the State.

Safety Meetings are to instruct, inform, and help a Safety Officer do a better job for his own Community. It also familiarizes the Safety Officer with Federal and State programs available.

We had a Bicycle Safety inspection program again this year in conjunction with the V.F.W. Ladies Auxiliary Lit-A-Bike Safety Program. We held inspections June 15th, in the parking lot at the rear of the Municipal Building, June 23rd, at the V.F.W. parking lot and June 29th, at the West Millbury Playground. I wish to thank Mr. and Mrs. Harold Ham, Linda Ham, Mr. and Mrs. A. Legor, and their son for his Unicycle demonstration. Also, the following members of the Millbury Auxiliary Police — Capt. Ralph Orcutt, Leonard Dunphy, Kenneth Day, Joseph Beaumier, John Kacevich, Henry Kniskern, Gerard Trottier, Brue Tranter, and Edmond Bachand. Thank you for making the Bicycle Inspection program a success. There were many minor bicycle accidents during the year caused by two on a bike, hitting the curb, falling off, running into solid objects, by riding unsafe, modified, and improperly balanced bicycles, or by riding too large a bike for the rider, and plain carelessness.

We also held a Boat Inspection at Singletary Boat Ramp during Boat Safety Week. Members of the U.S. Coast Guard Auxiliary were doing the inspections and issuing certificates of merit to everyone who passed the inspections. There were 87 inspected and passed. I hope to be able to have another such program next summer.

MARKING OF ROADS, CROSSWALKS, SCHOOL ZONES

We started late this year due to lack of help. We painted 47 Crosswalks, 18 Stop Lines, and 9 miles of Center Lines.

SCHOOL SAFETY PROGRAMS

Had "Patch the Pony" programs in all lower grades and Safety instructions with visual cards and talks in Kindergarten classes. "Child Molester" film was shown to the 4th, 5th, and 6th grades at Elmwood Street School. The V.F.W. Ladies Auxiliary held a "Baby Sitting" Safety course which was very successful and informative. It consisted of instructions from a R.N., Capt. of the Millbury Fire Department, three mothers, one school teacher, and your Safety Officer.

SCHOOL CROSSING GUARDS

We have eleven adult crossing guards stationed at our busiest intersections throughout the Town who are doing a tremendous job of teaching safety and protecting our school children going or coming from school. We lost one of our most sincere and faithful Crossing Guards this year. Edward Devoe was a familiar figure at Main Street and Grove Street for many years, always with a smile and ready to help not only the children cross, but anyone to cross. Always said, "I've never met anyone I didn't like." Edward Devoe had to retire on advice of his doctor. We all wish you the best of health and many more years of happiness Ed.

TO ALL PARENTS

From November to March, your children are going to school in the dark and must be reminded to be careful not to walk or wait for the School Bus in the road. Wear light colored clothing and keep off the travel lane of the road at all times.

The "Green Pennant" program will be expanded more this year.

In conclusion, I wish to thank everyone who helped, supported, and cooperated in the administering of instructions and guidance to our children in all Safety Programs.

Let's make Millbury the Safest Town in Worcester County.

Respectfully submitted,

JOSEPH A. LAUZON

Report of Board of Health

To the Honorable Board of Selectmen:

The Board of Health hereby submits its report for the year ending December 31, 1974.

The Board holds its regular monthly meetings on the 3rd Monday of each month at 7:00 p.m. in the Municipal Office Building. There were 12 regular meetings and 6 special hearings held during 1974. Attendance of Members was as follows:

Frank J. Piscitelli	18
Walter A. Weldon	18
William H. Caron	18

A total of 102 children attended our pre-school immunization clinics. These clinics are held in the Spring of every year, free-of-charge to all Millbury pre-school children. Parents are reminded that children *must* be immunized against diphtheria, tetanus, whooping-cough (DPT); polio and measles before entering school. They will be refused admittance to school without the proper proof of immunization.

A flu clinic for those citizens over age 60 was held on October 9 in conjunction with the Counsel on Aging and the District Nurse and 165 people were innoculated against the flu.

Also in conjunction with the District Nursing Society, 3 clinics were held for the detection of Lead Poisoning in children between the ages of 1 and 6, and 77 children were screened.

Again we wish to graciously thank the V.F.W. Charles F. Minney Post for their continued support of our clinics by allowing us the use of their hall.

We would also like to express our thanks to the Fire Department for the use of their building for the Dog Rabies clinic on June 8. 125 dogs were innoculated.

Residents are reminded that all contagious and communicable diseases are reportable to the Board of Health, regardless of age. School-age children are required to have a card from the Health Department before returning to school.

Contagious diseases reported:

Animal bites	125
Chickenpox	83
Shigellosis	1
Gonorrhea	10
Hepatitis	1
Mumps	34
Salmonellosis	1
Scarlet Fever	8
Strep Throat	8
Syphilis	1
Tuberculosis	1

Our department investigated 204 complaints; 43 percolation tests observed; 52 inspections of new installations and repairs of sanitary disposal systems; 21 dye tests made. Members attended 6 Conferences and Seminars.

Inspections were made of all Nursing Homes, Schools, Food and Liquor Establishments, Rooming Houses and Milk Pasteurization Plants. Water samples were taken throughout the summer of all bathing areas in the town.

A total of \$1,938.50 was collected and turned into the Treasurer.

Licenses & Permits issued:

Funeral Directors	3
Burial Permits	30
Pasteurization of Milk	2
Milk & Cream Vehicle Licenses	13
Milk & Cream Store	25
Food Service Establishments	56
Cleaning Sanitary Disposal Systems	7
Disposal Works Construction	55
Disposal Works Installers	24
Plumbing	122
Rubbish Collectors	11
Catering	1

Respectfully submitted,

FRANK J. PISCITELLI, *Chairman*

WALTER A. WELDON, *Agent*

WILLIAM H. CARON, *Agent*

Report of Planning Board

To the Honorable Board of Selectmen:

The Millbury Planning Board herewith submits its annual report for the year ending December 31, 1974.

There were 25 meetings held in 1974. Attendance was as follows:

Robert B. Doud	24
John E. D'Ambra	20
Donald Markey	19
Gerard M. Trottier, Sr.	19
Robert Chaleki	14

During the past year, the Planning Board has proposed and has had approved at Town Meeting, amendments to the Millbury Zoning By-Laws. Of primary interest was the adoption of a new industrial district called the "Industrial Park District." This district's basic function is to provide for the light industrial needs of the community, while maintaining strict control over the land development. An area of approximately 175 acres off Park Hill Avenue, the largest section being the so-called "Latti Farm," has been zoned Industrial Park.

It was not without the helpful assistance of the Industrial Development Commission and concerned citizens that these laws became effectively refined.

The Planning Board is presently working with their planning consultant, Philip B. Herr & Associates updating the zoning ordinances and subdivision requirements. The Open Space Community By Law which still presents minor problems because of its relatively new concept, is one of the top zoning priorities. Density Control, Residential Social Service Facility, and Fencing are among new zoning proposals sought for acceptance by the Board.

College students have become interested in Millbury. Two students from the Rhode Island School of Design have selected as their thesis the rehabilitation of the West End Thread Company mill. Another student from Worcester Polytechnic Institute has selected multi-family dwellings in an Open Space Community to be his topic for a course paper.

Some members of the Board attended a seminar on zoning at Leicester Junior College. This seminar was spon-

sored by the Worcester County Extension Service and incorporated nearly all basic aspects of zoning law and their related problems.

Because of the increased number of drainage articles for Town Meeting, the Board has placed special emphasis on the proper construction of roadways within new developments. This emphasis, coupled with stricter subdivision regulations and proper inspections will hopefully result in fewer problems in years to come.

The Planning Board holds their regular meetings on the second and fourth Mondays of each month at 7:00 p.m. in the Planning Office of the Municipal Office Building.

The Board wishes to express their gratitude to all departments and citizens for their cooperation and assistance during this past year.

Respectfully submitted,

ROBERT B. DOUD, *Chairman*

JOHN E. D'AMBRA, *Vice Chairman*

DONALD MARKEY, *Clerk*

Report of the Sealer of Weights and Measures

To the Honorable Board of Selectmen:

This department has checked and sealed 170 various types of weighing and measuring devices. Trial weighings were made on prepackaged goods in all stores to assure honest weight.

Respectfully submitted,

F. JOSEPH BRADY

Sealer of Weights and Measures

Report of Society for District Nursing

To the Honorable Board of Selectmen and to the Citizens of Millbury:

The Millbury Society for District Nursing received an appropriation of \$19,200.00 from the Town of Millbury for the 18 month period, fiscal year ending June 30, 1974. With these funds the Society was able to provide the following services to the citizens of Millbury during 1974:

Totals for year 1974

New Patients admitted for nursing care	151
Total number of nursing visits to patients	2,224
Visits to patients over 65 years of age	1,465
Board of Health services including visits to:	73
Expectant mothers, postnatal visits, premature infants, health promotion and communicable diseases	
Immunization Clinics	4
Immunization shots administered	198
Eye testing Clinics — pre-school children	7
Pre-school children checked	139
Stay-Well Clinics	29
Approximately 95 elderly per month are seen at our	
3 Stay-Well Clinics held at the Linden and Colonial	
Apartments and the Charles Minney Post, V.F.W. hall	846
Blood Banks	1

Social Services	69
Aid to families at Thanksgiving	10
Aid to families at Christmas	18
Our program of Home Health Aide visits to families	246
Visits for Physical Therapy	24
Visits for Occupational Therapy	2

The Society has endeavored to provide a total health care program to the community. In 1974 we provided three new health service clinics with 1 Glaucoma Clinic, 1 Flu Immunization Clinic for the elderly, and 7 Lead Paint Clinics for children ages one through six.

The Board of Directors wish to express their regret of the retirement of Mrs. Audrey Ashton, R.N. who served the Society for 15 years. Mrs. Ashton served the community faithfully and will especially be remembered by her patients.

The Society welcomes Mrs. Dorothy Taylor, R.N. as the new member to the nursing staff under the supervision of Mrs. Betty Hamilton, R.N.

At present, the Society employs 2 registered nurses and 1 Licensed Practical nurse.

The Millbury Society for District Nursing wishes to express their appreciation for the support given to this agency by the Town of Millbury, and will endeavor to continue to provide a complete home health care program to the community.

Respectfully submitted,

CATHERINE S. GAUCHER,
President

Report of Highway Surveyor

To the Honorable Board of Selectmen and the Townspeople of Millbury it gives me great pleasure to submit my Annual Town Report.

The usual work has been performed under the General Highway account. Catch basins and drainage were installed as necessary. This includes the cleaning and sweeping of streets, also cleaning out catch basins and gutters, general maintenance and patching as was deemed necessary.

SNOW & ICE

We were kept busy during the winter season with a number of snow and ice storms and tried to give all sections prompt service. Particular attention was given to sections in which school bus routes were involved. After a sizeable storm in the area of Millbury Center, the churches and Funeral Homes were cleared of snow in a prompt and efficient manner. I feel that all members of the Highway Department and the Contractors deserve particular praise for this service.

OILING STREETS

We oiled the following areas of town:
Grafton Street, Millbury Avenue, South Main Street, Elmwood Street and West Millbury area.

CHAPTER 90 MAINTENANCE

We paved Providence Street for a distance of approximately 1600 feet with one and one half inches of Type I Bituminous concrete.

OTHER

We completed several articles for drainage and catch basins and partially completed construction of Braney Road which we will complete this spring. We also constructed a sidewalk in East Millbury namely Wheelock Avenue.

In closing, I would like to thank my members of the Highway Department, local contractors, and all other town departments for their aid and cooperation that they have so ably given me in the past year.

Respectfully submitted,

DONALD J. ARMY

Highway Surveyor

Report of Wiring Inspector

To the Honorable Board of Selectmen:

I respectfully submit my annual report for the year ending December 31, 1974.

This department received 144 permits.

All permit fees have been turned into the Town of Millbury.

Total amount collected \$930.00

Applications for wiring permits can be obtained at the Town Clerk's Office or by dialing 755-8915 any time after 6:00 p.m.

Respectfully submitted,
IRVING R. GABRIE
Wiring Inspector

Report of the Engineers of the Fire Department

To the Honorable Board of Selectmen:

The Engineers appointed by your Board met and organized as follows:

Alfred E. Caplette, *Chief*
Kenneth L. Army, *First Assistant*
Ray Cross, *Second Assistant*
Donald G. Gover, *Third Assistant*
Joseph C. Kosiba, *Fourth Assistant*

Report of the Engineers of the Fire Department in the year 1974:

Headquarters Company answered 293 Alarms: 130 Fire, 120 False, 12 Bomb Threats, 17 Accidents, 2 Rescue Calls, 12 Service Calls.

Engine #2 answered 323 Alarms: 69 Fires, 157 False, 12 Bomb Threats, 80 No Service, 1 Missing Child, 1 Drowning, 1 Tornado Watch, 1 Rescue Call, 1 Standby at Sutton Fire Headquarters.

Engine #3 answered 299 Alarms: 141 Fires, 158 False.

Engine #5 answered 255 Alarms: 109 Box alarms, 115 False, 11 Still alarms, 20 Home Alert Calls.

Respectfully submitted,

ALFRED E. CAPLETTE, *Chief*

Report of Personnel Board

To the Honorable Board of Selectmen:

We hereby submit our annual report for the year 1974. During the past year we held thirty-nine (39) meetings. Present were:

Ernest C. Bachand, Chairman	39
Francis W. Lowe, Clerk	36
Paul Salois	29
Peter Virbasius	29
Norman Cofske	35

During this period the Personnel Administration Plan was revised and completed. Meetings were held with all Department Heads at which time the plan was explained and the books released. Certain inequities will be corrected using the Administration booklet as a guide line, in the future, regarding salaries and benefits.

During the year over fifty (50) applicants were personally interviewed for the position of Administration Assistant and the position was filled.

Separate meetings were held with Town Departments to establish budgets pertaining particularly to increases in wages and benefits.

Respectfully submitted,

ERNEST C. BACHAND, *Chairman*
 FRANCIS W. LOWE, *Clerk*
 PAUL SALOIS
 PETER VIRBASIOUS
 NORMAN COFSKE

Report of Forest Fire Warden

To the Honorable Board of Selectmen:

I hereby submit my report for the year ending December 31, 1974.

The cooperation of the townspeople in observing the burning ban has helped keep the number of fires to a minimum this year. We responded to 34 brush fires and 11 grass fires.

Our expenses were as follows:

	1973-74 (18 months)		
	Appropriated	Expended	Balance
Salaries (Admin.)	\$675.00	675.00	
Salaries (All Others)	1,800.00	1,800.00

Report of Millbury Council on Aging

To the Honorable Board of Selectmen

We are completing our first full year under an itemized budget, and we feel our efforts have been quite meaningful. It could take a few more years to clearly see a pattern of what programs and needs should be firmly established and fulfilled. Some services might be terminated, others could be expanded and new ones initiated. Flexibility is a necessity.

Following, is a recapitulation of work, programs and services offered and accomplished by The Council On Aging and its Director, for Millbury Senior Citizens during the fiscal year 1974-75.

Millbury is extremely fortunate to have as its Director for the Council, Mrs. Joan Hagstrom of W. Main Street. The hours, work and programs concerning the Director are much more involved than any of us thought they would be. She has supervised existing programs and services and initiated new ones. She has counselled many elderly and has made home visitations. She is the source for our elderly for information and referral to appropriate state and federal agencies. The Director is asked to attend regional and state conferences and, of course, our own Council meetings. She is responsible for the periodic senior citizens bulletin, public relations, and is in the process of working on state grants.

Most of the programs and services accomplished this past year are as follows:

A. PROGRAMS AND SERVICES

1. INFORMATION AND REFERRAL:

More than 120 seniors were aided in application procedures for added income through the Supplementary Security Income Program — much of this being done by home visits.

Home visits made in order to assess needs of shut-ins.

Public and private agency referrals were made on request by telephone or personal contact.

65 articles in 3 newspapers covering Millbury, gave the elderly knowledge about services and programs.

Quarterly News Bulletin loaded with information sent to 1687 Millbury residents aged 60 and over.

Regular office hours available at Town Municipal Building — this enabled many to obtain needed information.

2 HEALTH SERVICES:

Council On Aging volunteers provided free transportation to Senior citizens to 6 Stay-Well Clinics, the flu clinic and the glaucoma clinic.

Council assisted the Board of Health and District Nurses with the planning, publicizing, staffing and funding of the flu-clinic (serving 165 elderly).

The Council provided news-bulletin information about health resources.

3. SHUT-IN SERVICES:

Home visits; May baskets and Halloween favors delivered.

4. SOCIAL PROGRAMS:

Parties; in March, April, and October run by Council.

Parties; by V.F.W. and East Millbury Community Association, with some assistance by Council.

Show and Sell; senior citizens display and sell their crafts. (Elmwood School — last Fall)

Craft - Hobby Programs; not successful, phased out.

5. TRANSPORTATION:

Bus shopping trips provided at reduced costs, monthly.

Volunteer transportation to all clinics and socials.

6. LEGISLATION:

The Council has written National and State legislators supporting increase in Social Security, Supplementary Security Income, and retention of rental at 25% of income.

Millbury elders are informed of legislation of special concern to them.

7. COORDINATION

To better serve the elderly, close cooperation has been maintained with the Housing Authority, Board of Health,

District Nurses, School department, Nursing homes, V.F.W., Ecumenical Council, and East Millbury Community Association.

8. FINANCIAL SECURITY:

The Council has assisted many elderly in applying for and receiving Supplementary Security Income.

A discount program by Millbury Merchants was initiated by the Council.

9. VOLUNTEER SERVICES:

Organized service by Millbury residents in a variety of roles.

VOLUNTEERS ASSISTING COUNCIL ON AGING:

1. INDIVIDUALS:

Anderson, Susan, H. S. student — hostess at Social in March.

Bianculli, Doris and children — volunteer driver and worked on Senior Citizens Bulletin.

Boucher, Eileen — leader of grade 5 Camp Fire Girls who made May baskets for shut-ins.

Bunting, Annie — made song-book covers.

Bowen, Fred — played piano at 3 Socials, and member of Halloween Party Committee.

Dunn, Lucille — made song-book covers.

Brady, May — member of Volunteer Committee.

Ekstrom, Olive — made song-book covers.

Ceccarini, Louisa — folding and labeling Senior Citizens Bulletin.

Coulter, Dorothy — organized refreshment making at socials.

Cota, Julia — labeled Bulletins.

Debbs, Barbara (Sutton) — helped edit Fall Bulletin.

Fo'ey, Betty — volunteer nurse and driver at stay-well clinics.

Gould, Edith — planning and leading of songs at March social.

Gary, Myrtle — volunteer helper at craft center.
Gaulin, Leo — planning of Halloween party.
Humes, Robert — worked on Bulletins and song-books.
Henry, Brenda & Peter — H. S. students — hosts at March social.
Leniek, Deborah (Auburn) — helped edit Fall Bulletin.
Liberty, Estrid — volunteer teacher at Craft Center.
Liberty, Mary — volunteer teacher at Craft Center.
Lyons, Isabella — labeled Bulletins.
Maynard, Bertha — planned and worked on the Halloween Party.
MacDonald, Grace — planned and volunteered refreshments for the Halloween party.
Molloy, Ruth — labeled Bulletins.
Nichols, Laura — labeled Bulletins.
Mrs. Noel — leader of 6th grade Camp Fire girls making May baskets.
O'Brien, Helen — labeled Bulletins.
Pialtos, Dr. James — volunteered four hours free for Glaucoma clinic.
Philbrook, Virginia — assisted in April social.
Reardon, Cora — volunteer at Stay-Well clinic.
Schroeder, Carol — printed 3 Senior Citizens Bulletins and song-books.
Stines, Ellen — labeled Bulletins.
Toto, Mary — member of Volunteer Committee.
Ward, Osama — folded and labeled Bulletins.
Watkins, Edith — helped run kitchen at March social.

2. GROUPS:

Smith Nursing Home and Pine Grove Villa — residents labeled and folded Senior Citizens Bulletins.

Bleckstone Valley Regional Vocational Tech. High

School — made Discount posters and senior citizen “Spunky” cards.

Camp Fire girls — May baskets.

Elmwood Street School — posters for Show and Sell program.

Assumption School — posters for Halloween party.

East Millbury Community Association — transporting items to shut-ins, and general cooperation.

Millbury School Dept. — general cooperation.

V.F.W. — use of hall and cooperation.

3. CHURCHES:

St. Brigid, 59 Main St., Millbury — Waters Estate Party in April.

Millbury Baptist Church, Main St., Millbury — Halloween Party Social in March.

4. MERCHANTS:

Russell's Florist — corsages.

Herb's Florist — corsages.

Super Sentry — discounts

All hairdressers and barbers — discounts.

5. MEMBERS AND ATTENDANCE:

	Meetings	Attended
Paul Kollios, Chairman	12	12
Marion Harris, Vice Chairman	12	12
Diana Hill, Clerk	12	10
Nicholas Hodgman, Treasurer	12	11
Frank Piscitelli	12	11
Ruth Collette	12	11
Henry Ballard	12	10
Ann Humes	12	11
Josephine Lavallee, resigned, Nov. 1974		4
Irwin Elkins, resigned, Jan. 1975		2
Sylvia Bowman, appointed Dec., 1974		
Louise McGee, appointed Dec., 1974		
Martin Roach, appointed Jan., 1975		

The Council wishes to thank all who have supported its efforts throughout the year.

Respectfully submitted,

PAUL KOLLIOS, *Chairman*

Report of Fire Station No. 2 Study Committee

The Committee hereby submits its final report to the people of Millbury, the Honorable Board of Selectmen, and all other Boards and Town Officials.

At the conclusion of our fourth study meeting, it was an unanimous decision of this Committee that the old station #2 has become obsolete for today's and future needs of the Town.

1) Termination of present lease at this site will expire in the near future.

2) The present 90-year old building on this site is not large enough and will not support the weight of modern equipment.

3) Presently, the site is not tied into the sewerage system.

4) Present working area which is situated on the sidewalk and street represent a hazard, both to the men and apparatus. This in turn represents a safety hazard to passing vehicular and pedestrian traffic.

5) Lack of proper parking facilities has resulted in damage to five of the Call Firefighters' vehicles parked at the site while firefighters were responding to an alarm.

6) The Committee has studied five possible sites. It is the unanimous decision that the (2) Beach Street sites would be the most feasible for the new station.

It is the recommendation of this Committee that the Moderator appoint a Building Committee composed of 13 members consisting of (5) Fire Engineers, (3) residents of the West Millbury, Bramanville area and (1) resident from each of the five precincts of the Town for the purpose of constructing a new station to replace the old station #2.

Respectfully submitted,

JOSEPH D. BLAVACKAS

Chairman Fire Study Committee

GEORGE F. CLARK, Clerk

Report of Municipal Landfill Study Committee

To the honorable Board of Selectmen and the citizens of Millbury.

We respectfully submit to you our report for the year ending December 31, 1974.

The following topics and related issues were discussed during our monthly meetings.

1. AVAILABLE LANDFILL SITES

Several sites were considered, some of which were suggested by the previous committee. After careful consideration, the proposed sites were found to be inadequate due to some or all of the following problems: insufficient acreage, poor drainage, lack of on-site fill, or inadequate means of passage to the land-fill site. It was further concluded that other sites will have to be determined and considered.

2. MUNICIPAL REFUSE PICKUP SERVICE

The committee is in the process of considering the feasibility of instituting a municipal refuse pickup service. Two points being considered are costs to the town and the relationship of a municipal service to the efficiency of the operation of a landfill site.

3. FUTURE CONSIDERATIONS

In order to develop the ideas considered during the year, the committee feels the work of a landfill operation study committee should be considered until a site has been found, either in town, or in some other area, and a conclusion is made concerning a municipal pickup service.

Respectfully submitted,

PAUL BROSNIHAN, *Chairman*

NANCY PRIOR, *Secretary*

JANICE DAWSON

ALFRED NELSON

LAURENCE STOCKWELL

Report of Blackstone Valley Vocational Regional District School Committee

DAY PROGRAM

A. January - June 1974

1. Enrollment

At the beginning of 1974, 121 boys were in the senior class, 129 in the junior class, 141 in the sophomore class and 135 in the freshman class, making a total of 526 boys enrolled at the Blackstone Valley Regional Vocational Technical High School.

2. Pupil Selection for the Fall of 1974

During the months of January and February all the schools in the member towns were visited by the Director of Guidance in order to give information to the students in the eighth grade about the courses that are offered at the Blackstone Valley Regional Vocational Technical High School. Applications were distributed and the students were requested to indicate their first, second, and third choices among the courses offered. Specially designed information forms were given to each school administrator, to be completed for each pupil who planned to make application for admission to the Blackstone Valley Regional Vocational Technical High School.

At a later date, applicants from the various towns were brought to the school so that they could visit each of the departments and actually see the program in operation. During the day they were given a series of aptitude tests involving verbal reasoning, numerical ability, mechanical reasoning, abstract reasoning and spatial relations. The scores on the above tests and the information sheet provided by the sending school were evaluated in order to produce a profile of each applicant's characteristics. Each applicant's profile was recorded in a compilation sheet which served to identify the most qualified students in each town. Every effort was made to admit the best qualified applicants in each town, to give them their course preference, to distribute the courses as equally as possible among the towns, and to select each applicant for the course in which he appeared to have the best chance of success. This year we

admitted 225 boys out of the 475 who applied for admission. That means that over 250 young men who wanted to attend this school could not due to lack of space.

This year for the first time we had applications from girls wishing to enroll in our school. A total of 43 girls applied for admission to the following programs: Culinary Arts, Graphic Arts, Painting and Decorating, Carpentry, and Auto Body Repair. We were unable to admit the girls because the agreement between the towns specifically stated that the school was established for boys.

However, the School Committee has always considered that at some future date they would provide programs for girls as soon as the need was demonstrated. Long before any legislation was passed requiring the admission of girls as well as boys in vocational programs, the School Committee made a study of our future needs, and hired the architectural firm of Korslund, LeNormand, & Quann to help them make a 10-year plan for additional facilities to provide additional programs for both boys and girls. The School Committee has reaffirmed its position of being willing to provide vocational programs for girls by voting to change the Agreement Between the Member Towns so that it would provide vocational education for both boys and girls. At the present time ten out of the thirteen member towns have voted favorably on this amendment and we hope to be able to admit girls in September 1975.

3. Fifth Graduation

The fifth graduation of the Blackstone Valley Regional Vocational Technical High School was held on Sunday, June 2, 1974. 118 seniors received both their high school diplomas and their occupational certificates from the chairman of our school committee, Herman Buma.

In spite of the fact that this area had one of the highest unemployment rates in the entire state, we were successful in finding jobs for our seniors. Approximately 11 percent of the graduates are continuing their education at institutions of higher learning.

B. September - December 1974

1. Enro'lment

In September we started our ninth year of operation with 124 seniors, 131 juniors, 160 sophomores and 186 freshmen for a total of 601 pupils. The number of boys from

each of the towns was as follows: 59 from Bellingham, 28 from Blackstone, 23 from Douglas, 74 from Grafton, 23 from Hopedale, 18 from Mendon, 82 from Milford, 81 from Millbury, 9 from Millville, 87 from Northbridge, 34 from Sutton, 29 from Upton and 54 from Uxbridge.

2. Explanatory Program

This year, based upon the experience of the previous years, we again decided to have all freshmen spend the entire first semester in their assigned department, with the understanding that all students who were not sure that they were in the right department would be given the opportunity to explore other departments of their choice during the second semester. Less than 10% of the freshmen asked to go into the exploratory program, which clearly indicates that the vast majority of them were satisfied with their original choice.

3. Cafeteria

Our cafeteria staff continued to do an outstanding job for the students of our school. Once again our cafeteria was rated in the top ten in Massachusetts by the Massachusetts Bureau of Nutrition Education and School Food Services. The most meaningful rating is the extent of pupil participation. Our students participated to the extent of 136%, while the average participation throughout the state was 68%. To paraphrase an old saying — "the proof of the rating is in the eating."

4. Lincoln Arc Welding Foundation Awards

For the seventh successive year, Blackstone Valley Tech has finished first in the entire United States in awards won by its students in the annual Lincoln Arc Welding Foundation contest.

Competing with hundreds of high schools throughout the country, six Valley Tech students won a total of \$1100 in prize money for themselves and the school. They won a Second National Grand Award and three Regional Awards.

The Lincoln Electric Company created the James F. Lincoln Arc Welding Foundation in 1936 to encourage interest and study in arc welding. The Foundation sponsors the Arc Welding Awards annually for full-time high school, technical or vocational school students in the United States 19 years old or younger. This award program offers an opportunity to compete for the best written reports des-

cribing arc welded school shop projects. The entry must not be more than 25 pages in length and should contain detailed descriptions of the operations, all necessary calculations, photographs, sketches and drawings.

Again this year, Millbury was honored to have a co-winner in the Second National Grand Award.

Russell Mastrapasqua, son of Mr. and Mrs. Maurice Mastrapasqua, 316 North Main Street, received the student cash award of \$400. and the school received a \$200. award.

5. Cooperative Training Program for Seniors

The Cooperative Training Program is for seniors who have been certified by their instructors as being qualified to perform the work of their specialty in a highly satisfactory manner. This program involved on-the-job training during the time that the student would ordinarily be in his school shop.

A student works in industry under close supervision for three weeks and then returns to school for three weeks. When the student returns to school, a second student goes to work for the same employer doing the same type of work. These two students work as a team so that the employer always has one skilled student working for him throughout the senior year.

Cooperative students must be paid wages during the work-weeks at the cooperative establishment reasonably comparable to those paid to other persons doing similar work in the same company. While the students work the same hours and under the same conditions as other employees, they are legally considered as members of our student body rather than employees in the usual sense of the word.

At the present time over 70 seniors are in the Cooperative Training Program and we hope to place all those who wish to participate in this program within the next two months. We feel that this program has been very successful because it gave our seniors an opportunity to get on-the-job training while they were still in school and at the same time it provided the employer an opportunity to have the services of a young man who has both skill and technical knowledge. The majority of the seniors became full-time employees of the cooperating companies upon graduation.

ADULT TRAINING PROGRAMS

1. Evening Trade Extension Courses

The first session of the 1974 Evening Adult Program started January 7, 1974. These classes are open to persons over 16 years of age who are not attending school and who can show evidence of trade contract with the specific training desired. The following courses were offered: Auto Body Repair, Automotive Technology, Mill and House Carpentry, Electronics, Electrical, Machine Shop, Metal Fabrication, Plant Maintenance, Machine Drafting, Graphic Arts (Printing), Plumbing and Blueprint Reading. 399 adults enrolled in the first session.

The second session of the 1974 Evening Adult Program started October 7, 1974. The same courses as above were offered and 405 adults were enrolled.

2. Manpower Development and Training Program

This program was organized for unemployed young men under the provisions of the Manpower Development and Training Act. It was developed with the cooperation of the Milford Ancillary Manpower Planning Board and is designed to train tool machine set-up operators. During the summer this program operated from 8:00 A.M. to 4:30 P.M. and during the school year it operated from 3:30 P.M. to 10:00 P.M. This program is provided at no cost to the member towns inasmuch as it is financed entirely with federal funds.

3. Massachusetts Firefighting Academy

During the past year we have cooperated with the Massachusetts Firefighting Academy by providing space and equipment during weekends and evenings in order to train members of the local fire departments. The following courses are offered: Fire Service Training, Electricity, and Aerial Ladders.

NEW ADDITION TO OUR SCHOOL

At the end of 1974 our new addition is about 95% complete and starting January 1, 1975 all sections will be used with the exception of the Automotive Technical Department. Due to shortages of materials and strikes the addition was not ready in September of 1974 as we had expected. However, through the cooperation of the students, faculty, and staff we have been able to operate in a satisfactory

manner in spite of the incomplete facilities. We hope that by February 1st the entire building will be ready and in use.

NEAS&C ACCREDITATION

In 1972 our school was one of the first vocational-technical schools in New England to receive a full ten-year accreditation from the New England Association of Schools and Colleges.

In order to maintain accreditation each accredited school must submit a two-year report describing the improvements that have been made in the educational program during that period of time. The Association through its Commission on Vocational-Technical Schools evaluates the two-year report to determine if accreditation should be continued.

We are happy to report that we received a favorable evaluation and that we continue to be fully accredited. The entire staff and the School Committee are to be commended for this fine achievement.

JAMES S. MULLANEY

We were all greatly saddened to learn that James S. Mullaney passed away on August 3, 1974. Mr. Mullaney was the main driving force behind the establishment of the Blackstone Valley Regional Vocational Technical School and without his extraordinary dedication this school might never have come into existence.

The School Committee has voted to dedicate the school gymnasium to his memory and it will be known as the James S. Mullaney Memorial Gymnasium.

The students in the Drafting Department have designed the letters that will be made in the Metal Fabrication and Machine Shop Departments which will be used to make an appropriate inscription on the front wall of the gymnasium.

CONCLUSION

The Blackstone Valley Regional Vocational Technical High School is operating efficiently and effectively in this, our ninth year. We continue to offer many different services to the residents of our regional school district and they have responded enthusiastically as the following figures show:

1. 601 freshmen, sophomore, junior, and senior students in the day program.

2. 399 men and women in the first session of the Evening Trade Extension program.

3. 405 men and women in the second session of the Evening Trade Extension program.

4. 15 young men in the MDTA Machine-Tool program.

5. 35 firefighters who participated in the Firefighting Academy program.

Thus we have offered a large number of people the opportunity to further their education and to increase their vocational skills. We have used our school to maximum advantage by conducting vocational programs from 8:00 A.M. to 10:00 P.M. five days each week.

At the close of 1974 we feel that the past year was one of satisfactory achievement and one in which we continued to maintain the fine standards set in previous years. With the completion of our second addition we look forward to a brighter and busier future for the Blackstone Valley Regional Vocational Technical School.

Respectfully submitted,

LEODORE J. TEBO

School Committee Member

Report of Insurance Evaluation Committee

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury:

The Committee met five times during 1974 to review and analyze suggestions submitted by the insurance brokers who place almost all the property and casualty insurance for the Town of Millbury.

Major decisions which were adopted by the Board of Selectmen are as follows:

Liability limits have been increased to provide more realistic coverage, and
higher individual benefit limits have been increased for the volunteer firemen.

Respectfully submitted,

DAVID JUNG, *Chairman*

WILLIAM BEDORD, *Member*

EVERETT GRAHN, *Member*

DAVID ST. GERMAIN, *Member*

Report of Auditor

To the Honorable Board of Selectmen:

I submit herewith the Financial Report of the Town of Millbury for the eighteen month period of January 1, 1973 to June 30, 1974 and for the six month period of July 1, 1974 to December 31, 1974.

I wish to express my appreciation to the members of your Board, Officials and Personnel of all other committees and departments, for the help and cooperation extended to me throughout the year.

Respectfully submitted,

E. BERNARD PLANTE, Auditor

Junior High School	11:07 a.m. to 4:11 p.m.

Report of the School Committee

To the Citizens of Millbury:

The school committee herewith submits its annual report for the year ending December 31, 1974.

This year has seen some change as well as improvement of programs at all levels in the Millbury System. Most exciting is the anticipation of seeing an end to double sessions and knowing what this will mean to our entire educational system. We have also had a change in leadership. Dr. Irwin Elkins left us in October to be followed by our new superintendent, Dr. Alfred J. Sylvia.

The following salary schedule became effective in September of 1974:

	<i>Minimum</i>	<i>Maximum</i>
(1) Bachelor's Degree	\$8,000	\$12,300
(2) Bachelor's Degree + 15 hrs. ..	8,400	12,700
(3) Master's Degree	8,800	13,500
(4) Master's Degree + 15 hrs.	9,200	13,800
(5) Master's Degree + 30 hrs.	9,600	14,800
(6) Master's Degree + 45 hrs.	10,000	15,000

The committee met in collective bargaining with the Teacher's Association, AFL/CIO and administration. Through our superintendent, settlements for salary and benefits were made with nurses, secretaries, media clerks, aides, attendance officer and school physician. We were assisted in budget discussion by the Budget Advisory Committee.

The Windle Field Advisory Committee also worked with us to try to establish a budget for present and future use of Windle Field.

Two other Advisory Groups, having an impact on curriculum planning, have been the Educational Goals Committee and Occupational Advisory Committee. All of these committees are made up of interested parents and citizens from our own and the business community.

The school committee has participated in regular school committee meetings, budget and bargaining sessions. These number as follows:

Out of 63 meetings, attendance was as follows:

Mrs. Fitzpatrick	62
Mr. Wilczynski	56
Mr. Leonard	56
Mr. Lachance	60
Mr. Bianculli	62

In addition, we have met with other committees and participated at town meetings.

All the members of the School Committee are pleased to have had an input into the educational well being of our students and say thank you to our superintendent, all other administrators, staff, advisory committees and the community.

School Committee

Report of the Superintendent

To the School Committee:

This is my first annual report to you as Superintendent of Schools and it is my personal pleasure to report to you on our instructional progress in grades K-12.

A major concern to all Massachusetts educators has been the implementation of Chapter 766 legislation which directs our efforts to meeting the special needs of students ages three to twenty-one. The intent of this new legislation is to provide needed individualized services to students. The individualized educational plan is developed after a student has received a very comprehensive valuation by a team of specialists. Excepting for very severe cases of special needs, the Millbury Schools can provide a wide range of services for elementary special need students. However, at the secondary level our capabilities are not as extensive and the number of teaching specialists at the present time is limited to one teacher, two school nurses and guidance personnel. There is a definite need to provide additional services at the secondary level and this is being planned at the present time. The School Committee has been very supportive and as we plan for the 1975-76 school year, it is our firm belief that Millbury will have one of the most outstanding special needs programs in Central Massachusetts.

Planning for next year and future years is the most important task which we are now facing. The new Middle School is on schedule and is expected to open this coming September. This will make it possible for us to return to a normal school day for secondary students. Students in grades six through eight will have their own building as well as students in grades nine through twelve. However, there is the present problem that we will have a Middle School which in some facility areas will be superior to those available to high school students. Consequently, there is a definite need to provide facilities of a comparable quality at the secondary level. This need has been recognized by both the Building Committee and School Committee. The two committees have directed the Superintendent to prepare an educational plan for the high school and this is in the process of being developed. The plan will involve the contributions of staff, students and members of the community. We hope that you will support the plan when it is presented to you at a Town Meeting.

SUMMER PROGRAMS:

Curriculum development and summer school programs were conducted during the months of June, July and August. English and language arts were the two areas in which we placed our greatest efforts. Teachers in grades 1-12 participated and their work resulted in the development of two outstanding written curriculum guides which are now used by all secondary English teachers and all elementary classroom teachers. In addition to our emphasis on communication skills, we had a kindergarten committee, an elementary math committee, a junior high social studies and career committee, and a secondary foreign language committee at work. Each committee prepared written guides and were able to plan for the improvement of their respective content areas. Summer schools were conducted for the first time at all instructional levels. In previous years we did

not offer a junior high instructional program but this year the School Committee supported programs at all levels as well as two special needs programs and a Title I program.

FEDERAL PROGRAMS:

The 1974 school year was another outstanding year in our effort to secure federal funds for the improvement of existing programs as well as the implementation of new programs. Sixteen individual projects plus our application for P.L. 874 funds were approved for a total amount which exceeded \$108,203.00. In addition to P.L. 874 grant for \$12,358, we received funds for the following programs:

Two Title I ESEA projects which totaled over \$38,538 — these projects provided both school year and summer instruction to over 150 students.

Three Title II ESEA projects for \$3,580 for purchasing library books and software items.

Seven Title III NDEA projects were approved for \$20,013 to improve instruction in English, Math, Science, Social Studies, Foreign Languages and Music. We made our second application for Occupational Education funding under P.L. 92-318 and were again successful in being funded for four projects which totaled \$33,713 — a junior high industrial arts project was funded for \$4,407; a junior high foods project was funded for \$9,152; a senior high home economics project was funded for \$5,750; and a senior high medical assistant aide project was funded for \$14,404 which included the full funding of a sixteen passenger school bus.

Without question, federal funds have made a significant impact in providing us with funds for salaries, equipment and supplies which have been directed to improving student instruction.

The following reports are those of administrators responsible for either specific grades or for systemwide programs. Please read them so that you will be aware of our programs. A special note of appreciation and thanks is extended to our entire staff, School Committee, students and parents. We are looking forward to the year ahead with optimism and confidence for continued improvement at all instructional levels. Your continued interest and support are very much appreciated.

Respectfully submitted,

ALFRED J. SYLVIA

Superintendent of Schools

REPORT OF PRINCIPAL — GRADES K-3

Kindergarten Registration and Pre-Screening Program

During April and May of 1974 over 180 children were registered for Kindergarten classes that would begin in September.

A unique feature of our preparation for these new children was a pre-school screening clinic sponsored by the Millbury School Department and held at the Elmwood Street School during the first week in June. The purpose of this screening clinic was to determine readiness levels in hearing, speech, and gross and fine motor development of incoming youngsters to provide for proper placement in classes and early detection of any learning disabilities which might need remediation or special help. We used the talents of all our specialists in the administration of the testing. Guidance, Speech, Reading, Physical Education and Learning Disabilities personnel as well as the Kindergarten teachers and many volunteers from the community helped to make the two day screening clinic run smoothly.

Kindergarten Organization

During the month of June those children that had been registered were invited to the respective Kindergarten class that they would be attending in September. This allowed both the children and their parents to become familiar with their Kindergarten teacher. During this day the children were able to familiarize themselves with the materials that they would be using in their class. This "Open House" was so successful that it will be continued in the up-coming years.

The curriculum covered in the Kindergarten program includes (1) a Math Readiness Program which develops the values and formation of numbers, counting, geometric shapes, etc. (2) a Language Arts Program including reading readiness, vocabulary development and oral language, (3) an Art Program which develops seasonal projects and the use of art materials such as: scissors, paints, paste, etc. (4) a Music Program developing rhythms, songs, etc.

Grade I Evaluation Forms

An outgrowth from our Kindergarten into the 1st grade has been the development of a Grade I evaluation form which was developed by the 1st grade teachers, using the Kindergarten evaluation sheet as a model.

Through the use of a monthly evaluation form we are able to let the parents know the progress of their child in the skills of their particular subject areas. We are able to develop excellent parent-teacher relationships through the use of this form. During the past year we have received many favorable comments from the parents concerning this new first grade evaluation sheet.

Curriculum Development

During the months of May and June of 1974 the teachers in Grades 1-3 met weekly to decide on a new Math book that would meet the needs of the children that we have in our classes. The new Math book that was chosen follows the format that was developed by the Math Curriculum Committee in 1971.

During this past year it was recommended after having teachers' meetings to change our handwriting program to the Rinehart System

formerly used with success in Millbury. Also, from the various after-school teacher meetings held, there was a general feeling from all the teachers that a general revision and a new language arts curriculum should be developed during the summer.

Through the cooperation of the School Committee and Dr. Sylvia a Language Arts committee was established to prepare a Language Arts Curriculum Guide for Grades 1-6. This guide has been completed and curriculum meetings held at each grade level to review the skills and materials presented in this new curriculum guide.

It has been very rewarding for me to have a staff of enthusiastic teachers that are willing to meet on their own time to develop the various changes within our curriculum. Through these grade level meeting and workshops held, new ideas are expressed and recommendations are made to continually improve our ongoing curriculum.

Speech Program

The Millbury Speech Program works on fostering proper speech articulation and language patterns in children. This is accomplished by incorporating auditory discrimination of the problem sounds, auditory, visual memory, and visual discrimination of the sounds via mirror therapy and tongue placement.

Kindergarten classes are seen as a group and individual help is administered wherever and whenever the numbers and the availability of space allows. It is hopeful that the speech program might include the secondary levels of education at some future date, but presently the numbers in the program at the primary level makes this impossible.

Media Center

The Library at Center School is coordinated by Mrs. Susan Perras, Media clerk. Mrs. Perras, during her two years in the Millbury School Department has worked with Mrs. Gaucher and the Elmwood librarian to catalogue all primary materials, books, filmstrips, and periodicals. These materials are used, not only by the children in Center School, but in all our Elementary Schools. Teachers need only to order materials from the Center Library and they are delivered to the other schools for classroom use. Through the use of both Title II and Title III funds we have been able to equip all of the elementary schools with books for their own room libraries, as well as much needed supplementary equipment and materials in Science, Reading, and Math. Through the use of these materials we will be able to better individualize our program for the children.

Guidance

The Guidance program K-3 is preventative oriented. Although children in a crisis are dealt with directly, the main aim is to focus early on the crisis area and thus prevent problems from becoming serious or chronic. The attempt in a preventative program is to deal with all children.

In order to affect as many children as possible, group and teacher counselling is imperative. Most children learn well in groups. From about age two on, most of their learning is done in groups. Therefore it is a comfortable learning situation. Also, it is very economical since 10, 20, or even more are being dealt with at a time.

Group counselling is being done extensively in grade one. With the use of various audio visual materials we are attempting to enhance the child's growth and development by helping the child be aware of himself, others, and the effects of his environment.

Math Specialist

Our Math Specialist, Mrs. Gayle Power, services special math instructions in grades K-6. At the primary level Mrs. Power conducts demonstration lessons in each class at specified times. She uses a variety of methods and materials in these lessons. Through the use of the above, she is able to assist the classroom teacher with various mathematical strategies that most benefit the individual needs of the child.

Reading Specialist

Our present Reading Specialist is Mrs. Lynda Lariviere. Mrs. Lariviere works with children who have reading difficulties in our primary grades at all of the Elementary schools. Regular classes with children who have this difficulty are held at the Center School during the morning. Her afternoons are spent working with children in the outlying schools. This reading work is individualized and the main objective is to provide help to the children so that they will be able to develop a mastery of sight vocabulary and to build a secure understanding of phonics.

Respectfully submitted,

KELTON D. JOHNSON

Principal

REPORT OF PRINCIPAL GRADES 4-6

An old riddle tells us that the only thing all men, all women and all children do together is to grow older. But that is a very painful half-truth. We all learn together too, and we all partake of the same questions: WHO AM I? WHERE HAVE I BEEN? WHERE AM I GOING? WHY? The following paragraphs will outline our program — to which we have committed ourselves in attempting to answer these questions.

The Elmwood Street School houses Grades 4 - 5 - 6; 685 pupils in 24 classroom. The children are grouped homogeneously for reading and math with the remaining subjects taught by the home room teacher in a heterogenous situation

Although there is no panacea, certain newer methods are proving more effective than traditional approaches in solving some problems successfully. After examining some of these newer and innovative methods, we incorporated them into our system wherever and whenever we found them beneficial to our children and our school system.

Elmwood School Program of Activities

To get each child on the road to learning we provide an environment which takes into account each child's individual needs, his background, and the often wide differences among the children in tempera-

ment, physical growth, and mental and emotional development. We learn to live and work with these children by coming to know, understand, and accept each child as the individual he is. Through our awareness of these things, we can more successfully guide each child toward realizing his capacities and potential. Among these newer programs and services are included: Remedial Programs in Reading and Math continue to prove effective. By keeping the teacher — pupil ratio down in these classes, children who have not had many successes in a regular classroom situation receive maximum attention with maximum results. These specialists utilize a full range of instruction techniques to reward the slower children with success, to build confidence, to develop affective as well as cognitive skills, and will involve these students with the skills and pleasures of reading and math.

Extra-Curricular Activities

This year we have initiated a varied extra-curricular activities program for boys and girls in grades 4 - 5 - 6. Close to 300 boys and girls are taking part in these well planned and supervised programs of intramural football, soccer and field hockey, art and music. The planned activities run from 3:00 to 4:00 P.M. with bus transportation furnished for all participating pupils.

Our instrumental program continues to grow in providing beginning instrumentalists with basic skills in musicianship. The program provides a solid rhythmic and melodic understanding of simple musical forms. With this type of training an individual gains confidence in performing as well as a foundation for future musical activities.

Teaching Specialist

For some of our children it is difficult to function within a regular classroom situation because they may be handicapped both emotionally and educationally. These children are referred to teacher specialists in the following areas — Special Education, Perceptual, Speech, Title I, Remedial Reading and Remedial Math. These specialists have the specialization needed to acquire a deep understanding of all the factors that affect the child's ability to learn and adjust to school.

Elmwood Media Center

The Library Media Center continues to be a place of activity and learning with students involved with research projects, leisure reading, and use of audio-visual materials. Classes are taught library skills. The students learn how to use the card catalog, reference books and become knowledgeable about the arrangement of the collection. This becomes more meaningful because the things taught in the text or classroom can be fortified by personal experiences in the library.

Special Programs

Creating and maintaining an environment that stimulates enthusiasm for learning continues to be one of our most important goals. To accomplish this we offer many educational experiences outside the regular classroom curriculum that accommodate varied interests and ability levels of children. Following are some of this past year's experiences the boys and girls of Elmwood have been able to share with their parents, teachers, other students and the citizenry of Millbury:

In March, more than 600 parents and friends were delighted with a Gymnastic Show. The boys and girls of Elmwood Street School performed both group and individual exercises. Demonstrations were given of the basic gymnastic moves and equipment.

The first annual Spring Art Show and Concert was held in the Elmwood Street School Cafetorium last May. There's no better feeling than displaying to someone who matters what's taken you so long to learn. What better example could there be than kids performing for their parents? The children put on a combination concert and art show for all those interested. The chorus sang several selections and demonstrations of various art forms were presented to parents.

Special days were set aside in June for the annual OLYMPICS. During both days the boys and girls of the Elmwood Street School were outdoors participating in various athletic events — softball throw — broadjump — hurdles races — races etc. 1st, 2nd and 3rd place winners in the various events received gold, silver, or bronze medals as recognition of their achievement.

The number of parents that were present at our Back to School Night in November, and later made arrangements for personal conferences regarding their child's progress is a good indication of a high degree of interest taken by parents in their child's education. This interest strengthens our committed responsibility toward continuing to offer their children the best possible education.

Our Christmas Concert in December was presented to an overflowing crowd in the Elmwood Street School Cafetorium. The Elmwood Street School Chorus and the Elmwood Street School Concert Band sang and played the songs of the Christmas Season. The parents and boys and girls participating will agree that the many extra hours of rehearsals were well spent.

What better way to inject new excitement into daily instruction and satisfy a child's natural curiosity than by bringing in knowledgeable people to share their expertise with the children. Their programs were informative and enjoyed by staff and pupils. We thank:

Ellen Garrahy — Nutritionist — Worcester County Extension Service

Roger LaPlante — Meteorologist — WNEB and Channel 27

Rose Taylor — Mezzo Contralto — performing artist

Ted Dumas — Honey Bee Hobbyist

William Hesselton — Naturalist — the United States Department of the Interior Fish and Wildlife Service

'Special Thanks to Millbury's Mothers' Club

At this point, I want to take the opportunity to thank the Millbury Elementary Mothers' Club for the unselfish generosity in continuing to provide materials and experiences that reach beyond the regular classroom routines at the Elmwood Street School. Your contributions toward our educational program have made some of our more reluctant students more receptive.

In concluding this report, I would like to thank the often forgotten teachers, teacher-aides, librarian, media clerks, volunteers, secre-

taries, cafeteria workers and custodians. I am fortunate to have such a caring staff who have continually given me their best in making the Elmwood Street School an EXPERIENCE and not a PLACE for your children.

Respectfully submitted,

JAMES H. O'LEARY

Principal

REPORT OF PRINCIPAL — GRADES 7-8

With the opening of school in September a number of new programs were initiated for students in grades seven and eight.

Home Economics — Foods

All eighth grade girls participate twice weekly in this new course dealing with foods. The main objectives in this lab oriented course deal with nutrition, techniques in cooking, table etiquette and the consumer aspects of cooking.

Industrial Arts — I.A.C.P. (Industrial Arts Curriculum Project)

I.A.C.P. is a "hands on" course of study dealing with the world of construction. Students begin by studying the technology, management, and economics of the construction industry. Students advance through the site selection, soil testing, surveying and mapping aspects of construction. This course is concluded with the actual construction of a wall section of a home. These laboratory experiences are supplemented with the showing of transparencies, filmstrips and movies.

Learning Disabilities Program

The main objective of this program is to remediate a specific perceptual problem mostly through the use of academics. Since this is a new program all children must be evaluated after they are referred by the classroom teacher. Students are seen twice weekly either individually or in small groups. Suggestions are given to the classroom teachers as to how they can best reinforce this individual help in the subject matter areas.

Chorus

A Junior High Chorus was formed in September consisting of eighteen members. The chorus meets four times a week and has performed at the annual Christmas Concert. Students are now busy, working toward the Spring Concert and the Junior National Honor Society induction.

Careers

This past summer our two guidance counselors, Mrs. Joan Burke and Mr. James Murin concluded work on a "Careers" curriculum guide. As a result of this guide students are made more aware of careers through the subject matter areas. We are also conducting monthly career days. Guest speakers come into the school and speak to small groups on specific occupations or groups of occupations. Students are selected to hear the speakers on the basis of interests and the results of the OVIS (Ohio Vocational Interest Survey.)

French Program

Starting in September our French program has been expanded from three to five periods per week. Upon successful completion of this program in grades seven and eight, students may elect level II French when entering the ninth grade.

Mini-Course

Once again we plan to have a Safe Boating and Recreational Vehicles mini-course. Members of the Marine Division of the Mass. Division of Registry of Motor Vehicles will conduct this highly popular course. The course deals with the safety, nomenclature and operation of boats and recreational vehicles.

Chess and Crewel Clubs — Student Council — Intramurals

Chess and Crewel clubs have been organized with interested students meeting during study periods. The student council has been organized and work has been started on a student handbook. A fall intramural program was conducted at Windle Field with Mr. Thomas Penney supervising the activities.

Parents Night

Our annual Parents Night was held on November 11th. Judging from the fine turnout of parents the evening proved highly successful. With the opening of school in September the enrollment for grade seven and eight was 422.

The cooperation and interest shown by the administration, teachers, parents and students are sincerely appreciated. Their efforts have been of great importance in furthering the educational opportunities at the Junior High level.

Respectfully submitted,

DANIEL C. CARMODY

Principal

REPORT OF THE DIRECTOR OF MUSIC

Elementary Programs

Music in the elementary schools of Millbury has taken a strong trend toward the Kodaly method. This method of teaching was first introduced into our system in September of 1973 by Mr. Fred Ven Liew.

This approach is taught with the premise that every child can learn to sing accurately, feel rhythms, memorize and think musically. This is achieved basically through the use of hand signs, direct imitation and the reading and writing of musical symbols.

In September of 1974 we were very fortunate in being able to have Mrs. Ann Silvernail join our music staff. Mrs. Silvernail has had extensive training and experience in the Kodaly philosophy. She has attended both the Kodaly institute in Wellesley, Mass. and the Franz Liszt Academy in Hungary having received certification from both institutions.

Mrs. Silversnail is teaching in grades one through three. She is also teaching one fourth and one fifth grade as pilot classes.

Other music specialists include Mrs. Rachael Jyringi formerly Archambeault. Mrs. Jyringi is doing as much as possible in her classes in following the traditions and philosophy of this method. She has also attended the Kodaly Institute in Wellesley for an extensive course during the past summer and is taking a course at the institute at the present time.

Mr. Michael Nagy who is teaching music in grades five and six, is also taking a course at the Kodaly Institute and is also receiving much coaching and assistance along these lines from Mrs. Silversnail.

Musical organizations at the Elmwood Street School consist of a fourth grade chorus of forty-five members, a fifth grade chorus combined with sixth graders with approximately sixty members and a thirty-five piece elementary band.

The fourth grade chorus is under the direction of Mrs. Jyringi. The fifth and sixth grade chorus is directed by Mrs. Silversnail and the band is under my direction.

The three musical groups mentioned above prepared and presented a Christmas concert which was held on December 19, 1974 at the Elmwood Street School. This event was very well attended and all musical offerings were very enthusiastically received. These same groups are also planning a spring concert.

All fourth graders at Elmwood Street School are also being taught the recorder. This allows each child to become acquainted with basic fingerings on a classical instrument which is easy to play.

Secondary Programs

Music in the Junior High School consists of seventh grade general music classes and a seventh and eighth grade chorus. These classes and chorus are being taught by Mr. Donald Sanborn. Mr. Sanborn has been with us since January of 1973 and is also the director of our High School chorus.

Both Junior and Senior High School Choruses perform at our annual Christmas and spring concerts. The high school chorus also performs at the National Honor Society Induction and at our high school graduation.

The Junior Senior High School band is under my direction and performs at Christmas and spring concerts. This group also plays at all home football games, marches in the Little League and Memorial Day parades and puts on a concert on the Fourth of July.

Fourteen members of our band go to make up our Millbury High School Stage Band. This group plays in our spring concert and on the Fourth of July.

Seventeen singers and ten instrumentalists are preparing to audition for a concert sponsored by the Blackstone Valley Schools Music Association. These auditions are to take place January 21, in Milford, Massachusetts.

Band classes were held again this past summer. This course lasted for five weeks. Attendance was very good, and I find the time

I spend here keeps students playing and also gives me an opportunity to start beginners in smaller classes.

During the past year this department was very fortunate in being able to acquire many new brass instruments. This purchase was made possible by a Title III NDEA grant. Included in this purchase were 3 trombones, 2 French horns, 2 baritone horns, 1 sousaphone and 1 upright bass horn. This has made a great improvement in our inventory of school-owned instruments. All of these instruments are being used mainly at junior high and elementary level.

Respectfully submitted,

ROCCO BRUNO

Director of Music

REPORT OF THE DIRECTOR OF PHYSICAL EDUCATION AND ATHLETICS

Physical education is required of all students in grades one through twelve in the Millbury School system. Students have physical education twice during each week, except in rare cases where an individual receives a medical excuse.

The basic aim of the physical education program is to educate the individual through the physical. Physical activities which provide optimum experiences are therefore selected and offered in the curriculum.

The department is coordinating its programs at all levels in order to maximize the efficiency of the teaching process and to achieve a logical progression of physical activities.

Basic skills are stressed, in grades one through three, along with familiarizing the student with proper health and exercise habits. The children are taught games which serve as lead-up to team and individual sports later in the curriculum.

In September, Mr. Sullivan, Mr. Garabedian and Mrs. Nagy, teacher of the perceptually handicapped, administered a motor screening device to all students in grades one through three. This motor survey provided information concerning each student's level of physical skill development. Daily physical education lesson plans were developed using this information, particularly for the first grade. (The proper development of motor patterns is very critical at this age.) The involved staff felt very strongly that this improved the overall physical education program at this level because the selection of activities for various groups was made more relevant via the survey.

In the future, this motor survey will be given to grade one at the beginning and then toward the end of each school year. The goal here is to: 1. Detect and then correct and improve any physical deficiencies which may occur at the start of one's schooling; and 2. To improve the overall quality of each student's physical performance.

Mrs. Nagy, Mr. Sullivan and Mr. Garabedian utilize a team approach throughout this entire process and constantly attempt to

have each pupil reach his fullest potential. This additional work in the physical education classroom should allow the pupil to experience success in areas of motor development.

The physical education program at Elmwood School revolves around mastery of the basic physical skills and the development of team and individual sports skills. Rules, regulations and background of athletic contests are taught to the students, and experiences which teach strategies, team play and sportsmanship are provided during each lesson. The program at this level strives to prepare each student for the more specialized junior high program.

An intramural program was offered to sixth grade students this year in order to allow them to expand upon physical skills which were taught in physical education classes. Activities, such as soccer, touch football, basketball, gymnastics and track are included in this program. The aim of the intramural program at this level is to provide those athletic events which will be offered in the high school program.

The junior high school program further expands upon individual and team sports. The student masters all the basic fundamental sports skills at this level and should become quite proficient in skill performance. The junior high physical education program strives toward offering a wider range of activities in order that each student is fully prepared to successfully perform at the high school level. The student should have a good concept of team play and team strategy at this time and should have progressed to the point where he/she can solve skill problems on their own.

This year an intramural program was instituted for the fall and spring season. The program of activities included touch football this fall with track and softball being offered in the spring. This program will be expanded in the future to include all of the athletic activities offered on the high school level.

The high school program is geared toward diversity as well as a high degree of motor performance. The students are offered the widest possible range of physical activities. Hopefully, each pupil will discover several activities which become a part of his/her repertoire of recreational skills to be utilized during leisure. The overall aim being to encourage high school students to pursue recreational/leisure skills for one's own enjoyment, as well as for fitness and general well being, now and later in life.

The high school athletic program was expanded in the fall with the addition of a junior varsity soccer team. The program was very successful and Millbury should soon have a competitive varsity team. Other fall sports include three teams in football (varsity, junior varsity and freshman), cross country and girls' field hockey (varsity and junior varsity). A junior varsity coach will be added next year to assist Miss Harrington.

Also, a very welcome addition to the football program was the installation of the score board and clock.

The winter program includes three levels of basketball for the boys and a varsity and junior varsity team for the girls. The ice hockey team has become well established within the athletic department.

The spring program has been expanded with the school committee's approval for a girls' track team. Preparations are currently

being made for hiring a coach, establishing a schedule and the purchase of supplies. The other spring sports include: varsity and junior varsity baseball, softball, boys track and golf (represents both boys and girls).

Respectfully submitted,

RICHARD GARABEDIAN

Director of Physical Education
and Athletics

REPORT OF THE DIRECTOR OF SPECIAL SERVICES

I hereby submit my fifth annual report as Director of Special Services. This department concerns itself with programs at all levels for children with special needs. Some of the programs included in the service are the following: the screening of pre-school children, learning disabilities, speech therapy, nursing, youth guidance, summer programs, and implementation of Chapter 766.

Screening Program

The pre-school screening for children entering kindergarten in September was held in the gymnasium of the Elmwood Street School during the first week of June. Staff specialists supervised the screening of the kindergarten candidates in auditory, motor, speech and visual areas of development. They were assisted by Title I teachers and teacher-aides. Six parent volunteers helped with clerical work and in checking gross motor skills. Sixth grade pupils, playing the role of big brothers or sisters to the pre-schoolers, took the children from one testing station to another during the screening session. Parents were most cooperative; they were prompt in keeping the appointment at the time assigned to them. The net result was a well organized and smoothly functioning two-day program.

Registration and screening of three and four year old children was held on four Friday mornings — two in October and two in November — from 9:00 to 11:30 a.m. in the gymnasium at the Center School. One hundred eighteen children were registered and screened. The speech therapist, the learning disabilities teacher, the guidance counselor, and the school nurse conducted the program. They were assisted by teachers and teacher-aides in the Title I program.

New Staff

Miss Nancy Carey was added to the learning disabilities staff in September. With two instructors and a part-time aide service is now given to students in the junior high school as well as to those in grades one through six who give evidence of learning disabilities. Three parent volunteers have given assistance with clerical work and in developing gross motor coordination. The new teacher is working part-time at the intermediate level with children in grades five and six and part-time at the junior high school.

Mrs. Dorothy Townsend joined the school nursing staff in September. She is servicing the primary elementary children in kindergarten through grade three. Mrs. Gagliardi has the intermediate

elementary group, grades four through six at the Elmwood Street School. Two other nurses, Mrs. Holzwarth and Mrs. Sauer care for the needs of the junior and senior high school students. The elementary school nurses have been actively involved in the pre-school screening. All the nurses have attended workshops arranged by the Massachusetts Department of Public Health.

In May and June there was a six-week workshop which met on Wednesdays; the theme was In-service Education for School Nurses on their responsibilities in the implementation of Chapter 766. The latter workshop was repeated in the fall. Two nurses were able to attend the spring workshop and the other two attended the one given in the fall. All four nurses are now attending monthly workshop sessions which are concerned with the topic, "Implementing the Role of the Massachusetts School Nurses." Meetings are held from 6:30 to 10:00 p.m. on the first Tuesday of each month.

The Greater Blackstone Valley Youth Guidance Center continues to give service to our school as well as to fourteen towns in the district which it is committed to serve. Mrs. Amy Gerson began her work as consultant to our school in September; she works with the guidance counselors on the second and fourth Thursdays from 9:30 a.m. to 1:30 p.m. Counselors and teachers are able to discuss student problems with her. If it seems advisable, parents may seek help directly from the Youth Guidance Center. Staff members at the Center will meet at the clinic with the child, or with his parents, to try to help resolve an emotional or behavioral problem which may be preventing the child from achieving in school. On-going counseling at the Guidance Center is available for both the child and his parents. The cost of the program is commitment. It is necessary that parents commit themselves to keeping appointments at the clinic in order that service may be meaningful and effective both for them and for the child. On each visit the consultant gives the Director of Special Services a resume of her day's work.

Special Programs

Speech therapy is provided for children in grades one through six. The therapist meets with the pupils who have speech problems for a half-hour period twice a week in small group situations. The speech therapist and the elementary learning disabilities specialist work one half-hour per week in a classroom situation with the classroom teacher in the kindergartens which meet in the morning; in the second half year, when the present afternoon kindergarten classes will be attending the morning session, they will receive the same kind of help.

Students with special academic needs are integrated at all levels to the degree that they can work in a regular classroom situation. They are all integrated in physical education, music, sewing, shop and art. At the secondary level they are integrated in the academic areas of social studies, health careers and mathematics; at other levels they may be integrated in reading and mathematics. The resource room teacher works with these students to reinforce the work they are doing in the regular classroom and to help on a one-to-one basis in areas of learning where the student is experiencing great difficulty.

A five week summer school was held from July ninth through August tenth for children with learning disabilities. Mrs. Nagy and

three aides conducted the classes which met five days a week from 9:00 a.m. to 12:00 noon for twenty-five pupils. During the same period classes were held for children with academic needs. The classes, taught by Mr. McGrail and Mrs. Capomacchio, were conducted from 8:30 a.m. to 1:00 p.m. Emphasis in both programs was on academic work; however, each group enjoyed a daily recreation program also. Mrs. Nagy's group had a full day field trip and on the last day a cook-out on the school grounds. The other group had two shorter field trips, an open-house program for their parents and a luncheon on the last day with school administrators as their guests.

Events of special interest to the children with special needs were the county and state Special Olympics in which several of the youngsters participated. Participation in the state meet depended on their having won a first place Blue Ribbon in the county event. Seven students qualified for the state event. At the State Olympics held at Lexington High School on Saturday, June twenty-second, our young people brought honor to themselves, to our town and to our schools by winning three gold medals, one silver medal and one bronze medal. They competed in the 220-yard run and the 50-yard dash.

Chapter 766

Chapter 766 is a new service which is demanding much time and effort from many people. Three Core Evaluation Teams have been established; one at the kindergarten - primary level with Miss Joanne Reynolds and Mrs. Diane Willhauck as co-chairmen; a second team at the Elmwood Street School has Mr. Montimurro and Miss Patricia Carey as co-chairmen. At the secondary level it proved to be more practical to have one team with Mr. William Cunning of the senior high school and Mrs. Joan Burke of the junior high school as co-chairmen. Some core evaluations have been completed. Many evaluations are in progress. During the year several staff members have attended programs on Chapter 766. Dr. Donald Isaac conducted a five week in-service program for teachers on learning problems. Dr. Josephine Concannon conducted two meetings at the local level — one for teachers at the junior high school level and one for senior high school teachers. The Massachusetts Teachers Association sponsored two two-hour workshops at Lincoln Sheraton Inn in November. The State Department of Education in cooperation with the departments of nursing, speech and hearing have conducted programs for the speech therapists, teachers of the deaf, and nurses. Local school personnel have participated in all such conferences. Directors of Special Services have been meeting once a month with State Department personnel for help on the implementation of 766. Now it is requested that a core evaluation team chairman attend also because revised forms for core evaluations are being studied and discussed.

Chapter 766 demands a great deal of work and it is causing many frustrations because it is so new. However, through experience tensions will be lessened and there will emerge programs individualized to meet the educational needs of each child.

Respectfully submitted,

MARY B. GROGAN

Director of Special Services

REPORT OF THE DIRECTOR OF GUIDANCE

Elementary Guidance

Perhaps the main concern of the counselor at the elementary level is to provide individual and group counseling experiences for students in grades K-6. The counselor aids each child in dealing with school problems as well as discussing their personal feeling. He assists teachers in using the most effective approaches in the recognition and prevention of learning and emotional problems. When resources within the school prove to be insufficient to meet the needs of a specific problem, the counselor will assist the family in seeking help from a community based group or organization such as Worcester Youth Guidance, or the Blackstone Valley Youth Guidance Center.

A number of group and individual tests are administered during the school year in grades K-6, all of which are the responsibility of the guidance department. The responsibility of the counselor in regard to the testing program is administration and supervision as well as the interpretation of numerous test scores. It is through the group achievement tests that changes in the curriculum on a school wide basis are made as well as developing an individual program for each child.

Perhaps the most dramatic change ever for the counselor at this level has occurred during the current school year with the adoption of the new special education law entitled "Chapter 766." In essence, it has changed the role of the counselor dramatically and much of their time is devoted to successfully implementing this program.

Junior High Guidance

The Junior High guidance program centers on a balance of group and individual counseling and a testing program. Seventh and eighth grade students are seen on a one-to-one basis to discuss personal and educational problems, concerns, and goals and to set up a high school program that will be meaningful and relevant to their needs and career interests.

Group counseling sessions are held to acquaint students with career information, and to inform them of high school programs at Millbury High School and vocational schools. A career day program has been set up for eighth grade students whereby representatives of various occupations come to speak to students interested in their line of work. A career day is held once a month and each student may attend at least two sessions during the year.

The testing program in the Jr. High includes the administration of the California Test of Basic Skills, the Prescriptive Math Inventory, The Ohio Vocational Interest Survey, and the Stanford Diagnostic Reading Test.

The counseling program also involves servicing students who have been referred for a 766 evaluation.

Sr. High Guidance

A breakdown of the Class of 1974 indicates that 24% of the class went on to 4-year colleges. 26% went on to 2-year colleges, 4% went on to Nursing schools — for a total of 54% of the class going on to higher education.

The following is a list of those schools that accepted students from Millbury High School:

Quinsigamond Community College	Norwich University
Worcester State College	College of the Holy Cross
Worcester Polytechnic Institute	Mr. Ida Jr. College
Springfield College	Graham Junior College
No. Adams St. College	Salter Secretarial School
Worcester Hahnemann Hospital	Bridgewater State College
St. Vincent Hospital	U.S. Air Force Academy
Memorial Hospital	University of Tampa
Barrington College	Southeastern University
Worcester Boys Trade School	Tulane University
Worcester City Hospital	Boston College
Framingham State College	St. Cloud St. College
Fitchburg State College	Westfield St. College
Lowell Tech. Institute	Boston State College
Univ. of Massachusetts	Plymouth State College
Assumption College	University of Virginia
Worc. Industrial Technical Institute	St. Anslems College
Anna Maria College	Florida Institute of Technology
Becker Jr. College	Stockbridge School of Agriculture
David Hale Fanning Trade School	Wichita State University
Northeastern University	Katherine Gibbs School
College of Our Lady of the Elms	Brom's Academy
St. John Fisher College	Worcester Art Museum
	Barbizon Modeling School

During the past year counselors have seen the following number of students in these categories:

Personal Counseling	687
Educational-Vocational Counseling	5,287
Parents and Teachers	2,860
Agency Contacts	355
Students involved in Group Counseling	3,996
Total Interviews:	13,180

In addition to these figures a great many tests were administered on a group level and on an individual basis by members of the department.

Respectfully submitted,

WILLIAM F. CUNNING
Director of Guidance

REPORT OF THE PRINCIPAL GRADES 9-12

New Progress

This year we have completed the sequence in our health program with all freshmen and sophomores taking either health or health careers. Twenty three juniors and seniors have enrolled in the new Family Living Course which meets two periods daily and three students are enrolled in French IV, which is taught by Mr. Georges Desrosiers in addition to his regular daily program. Art is now

available to high school students seven periods each day and this was made possible by changing Mrs. Dickinson's position to that of full time art teacher in the high school.

Another new program made available to our students this year is the Medical Assistant Course which is offered through our business department and which will assist those students in being trained for and in finding employment in various secretarial positions in the medical field. The students go to class two periods each day and during the year their work will be nearly equally divided between medical secretarial skills and certain medical laboratory procedures.

In the Industrial Arts area we have offered this year the first year of a two year sequential program in Occupational Drafting. There are nineteen students currently enrolled who will have the opportunity of continuing this program next year and in taking part in on the job training in industry.

Summer School

Summer school was held again this year with a total of one hundred eight students enrolled. Ninety-eight of these students were Millbury residents with the other ten students coming from Sutton, Grafton and St. Johns High School as tuition students. Because some of these students took more than one course the following figures will not appear to fit those enrolled. One hundred sixteen students successfully completed courses. Thirty-one students were not successful in completing courses while four students withdrew after the final registration.

GRADUATION PROGRAM

Processional	Graduating Class
Invocation	Rev. Donald L. Blanchard
	Chorus
Sanctus	Franz Schubert
Sky Bird-Song Bird	Kathleen Tebo
We May Never Pass This Way Again	Doreen Surette
Children Should Be Heard . . . Not Just Seen	Karen Bruno
Presentation of Awards	Donald P. Drake
Class Song — We May Never Pass This Way Again	Seals and Crofts
Presentation of Diplomas	Mr. Drake and Mr. Roach
Recessional	Graduates
Director of Music	Mr. Rocco G. Bruno
Choral Director	Mr. Donald Sanborn
Accompanist	Sharon Spirkowyc

THE SENIOR HONOR GROUP

(Students Having Averaged 85 or Better for Their Four Years in High School)

Richard Robert Bates	Steven Patrick Hebert
Michaela Doran Bollus	Paul Alan Spirkowyc
*Karen Ann Bruno	*Doreen G. Surette

SCHOLARSHIP AWARDS — JUNE 6, 1974

SCHOLARSHIP AWARDS BY AND THROUGH CITIZENS SCHOLARSHIP FOUNDATION OF MILLBURY (Mr. James Fitzpatrick, vice president in charge of scholarship awards)

CONCERNED CITIZEN'S COMMITTEE Presented by Mr. Paul DiCicco — \$100.00 each
 Kathleen Tebo, daughter of Mrs. Noel Tebo of 8 Leone Avenue
 Robert Zawistowski, son of Mr. and Mrs. Chester Zawistowski of 7 Leone Avenue
 Thomas Power, son of Mrs. Thomas Power of 67 Beach Street
 Kenneth Lague, son of Mr. and Mrs. Kenneth Lague of 10 Lincoln Avenue

WILLIAM J. MURPHY MEMORIAL Presented by Mrs. Paul Tinsley — \$100.00

- David Matson, son of Mr. and Mrs. O. David Matson of 22 Prospect Street
- LEWCOTT CHEMICALS Presented by Mr. Jean Lewis — vice president — \$250.00
Robert Zawistowski
- C. D. WHITNEY AGENCY Presented by Mr. Parker Wellington, Jr. — \$100.00
Doreen Surette, daughter of Mr. and Mrs. John Surette of 110 Millbury Ave.
- WARREN G. HARRIS MEMORIAL Presented by Mr. Parker Wellington, Jr. — \$100.00
Thomas Power
- MILLBURY CREDIT UNION Presented by Mr. Robert LeClaire — \$200.00
Kathleen Tebo
- MILLBURY TEACHERS ASSOCIATION Presented by Mr. Thomas Murray — \$200.00
Virginia Thomas, daughter of Mr. and Mrs. Harold Thomas of 32 Woodland Street
John Grindley, son of Mr. and Mrs. Walter Grindley of 33 Woodland Street
Maureen McCarthy, daughter of Mrs. Anne McCarthy of 218 North Main Street
- MILLBURY HIGH SCHOOL STUDENT COUNCIL Presented by Mr. Drake — \$100.00 each
Eileen Hamilton, daughter of Mr. and Mrs. Thomas Hamilton of 51 Main Street
Nancy Lacouture, daughter of Mr. and Mrs. Norman Lacouture of Carleton Road
- MILLBURY WOMAN'S CLUB Presented by Mrs. Francis Vaillancourt — \$100.00
Catherine Baldwin, daughter of Mr. and Mrs. Warren Baldwin of 15 Prospect Street
- BLACKSTONE VALLEY NATIONAL BANK, MILLBURY Presented by Mr. Fitzpatrick — \$100.00
Randolph Stimpson, son of Mr. and Mrs. George Stimpson of 15 Maple Street
- MILLBURY SAVINGS BANK Presented by Mr. Fitzpatrick — \$200.00
Kathleen Tebo
- DEVOE-TAYLOR POST #9 Presented by Mr. Fitzpatrick — \$100.00
Steven Hebert, son of Mr. and Mrs. Joseph Hebert of 4 Pearl Street
- NEW ENGLAND HIGH CARBON WIRE CORP. Presented by Mr. Fitzpatrick — \$250.00
Virginia Thomas
Eileen Hamilton
- CHABOT MOTORS Presented by Mr. Fitzpatrick — \$100.00
Lawrence Dapsis, son of Mr. and Mrs. Joseph Dapsis of 322 Millbury Avenue

- NEW ENGLAND NEWSPAPER SUPPLY CO.** Presented by Mr. Fitzpatrick — \$100.00
Mark Mogren, son of Mr. and Mrs. Randolph Mogren of 8 Gould Street
- ST. BRIGID'S MEN'S CLUB** Presented by Mr. Fitzpatrick — \$100.00
Pamela Sheeran, daughter of Mr. and Mrs. John Sheeran of 12 Forest Drive
- CITIZEN'S SCHOLARSHIP FOUNDATION OF MILLBURY** Presented by Mr. Fitzpatrick
Maureen McCarthy — \$300.00, daughter of Mrs. Anne McCarthy of 218 North Main Street
Kenneth Lague — \$300.00
Steven Hebert — \$200.00
Nancy Lacouture — \$200.00
Donna Chambers — \$100.00
Thomas Power — \$100.00
- MILLBURY ATHLETIC ASSOCIATION** Presented by Mr. Hyman
Sclar — \$250.00
David Matson
- MILLBURY WOMAN'S CLUB** Presented by Mrs. Francis Vaillancourt — **MARJORIE L. ROBERTS MEMORIAL** — \$425.00 to Doreen DiPilato, daughter of Mr. and Mrs. Frank DiPilato of 17 Johnson Street
Virginia Thomas — \$200.00
Kristin Swedberg, daughter of Mr. and Mrs. John Swedberg of Carleton Road — \$200.00
Kathleen Tebo — \$100.00
- NATIONAL HONOR SOCIETY** Presented by Robert Tabor, president — \$50.00 each
Virginia Thomas
Robert Zawistowski
- V. F. W. POST #3329 LADIES AUXILIARY** Presented by Mrs. Joseph Beaumier — \$200.00
Virginia Thomas
- ST. BRIGID'S WOMEN'S CLUB** Presented by Mrs. Joseph Sullivan — \$200.00
Kathleen Tebo
- MILLBURY ELEMENTARY MOTHERS CLUB** Presented by Mrs. Alfred Sylvia — \$200.00 each
Mark Mogren
Randolph Stimpson
- AGNES RUSSELL MEMORIAL** Presented by Miss Joan Knapik — \$100.00 each
Linda Dinsdale, daughter of Mr. and Mrs. Robert Dinsdale of 6 Leslie Lane
Robert Dunford, son of Mr. and Mrs. Thomas Dunford of 3 Sycamore Circle
Deborah Perron, daughter of Mrs. Helen Perron of 9 Knollwood Circle
- MILLBURY HIGH SCHOOL BAND AND CHORUS** Presented by Mr. Drake — \$100.00
Catherine Baldwin

MILLBURY GRANGE #107 — PAULA PERRY SCHOLARSHIP
Presented by Mr. Drake — \$150.00
Randolph Stimpson

WEST MILLBURY SOCIAL UNION Presented by Mr. Drake —
\$50.00
Kristin Swedberg

WILLIAM F. O'LEARY MEMORIAL Presented by Mr. Drake —
\$100.00
David Matson

DR. AND MRS. MARCUS M. HENNEBERRY MEMORIAL Pre-
sented by Mr. Drake — \$200.00
David Matson

AMERICAN LEGION AUXILIARY Presented by Mr. Drake —
\$100.00
Virginia Thomas

SENIOR ENGLISH TRAVEL CLUB Presented by Mr. Drake —
\$100.00 each
Cheryl Russell, daughter of Mr. and Mrs. Albert Russell of
Route 146
Bonny Wilkinson, daughter of Mrs. Phoebe Wilkinson of 9
Waters Court

D. A. R. GOOD CITIZENSHIP CERTIFICATE Presented by Mr.
Drake
Bonny Wilkinson

READERS DIGEST AWARD TO THE VALEDICTORIAN OF THE
GRADUATING CLASS — by Mr. Drake

TOWN WARRANT

WORCESTER, S.S.

To Either of the Constables of the Town of Millbury, in the County of Worcester, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the Inhabitants of the Town of Millbury, qualified to vote in elections and Town affairs, to meet at their respective voting places to wit: Precinct No. 1 at the basement of the Baptist Church; Precinct No. 2 at the Elmwood Street School; Precinct No. 3 at the Memorial High School; Precinct No. 4 at the Dorothy Manor School; and Precinct No. 5 at the East Millbury School, on Saturday, the Tenth day of May, next at 8:00 in the forenoon, to elect the following officers to wit:

ARTICLE 1. To choose one Selectman, one Assessor, and one Trustee of the Public Library all for a term of one (1) year; one Selectman and one Trustee of the Public Library all for a term of two (2) years; one Selectman, one Treasurer, one Assessor, one School Committee Member, two Trustees of the Public Library, one Highway Surveyor, one Cemetery Commissioner, one member of the Board of Health, one member of the Blackstone Valley Vocational School Committee, and one member of the Sewerage Commission, all for a term of three (3) years; one member of the Planning Board, one member of the Re-Development Authority, one Parks Commissioner, and one member of the Housing Authority, all for a term of five (5) years, and the following question:

QUESTION #1. Shall licenses be granted in this Town for the operation, holding, or conducting of a game commonly called Beano? Yes or No.

ARTICLE 2. To choose all other necessary Town Officers for the year ensuing and to meet on May 3, 1975, at 2:00 p.m. in the Memorial High School Gymnasium in said Millbury and to act on the following articles to wit:

ARTICLE 3. To hear the reports of several Town Officers and Committees and act thereon.

ARTICLE 4. To raise either by appropriation or transfer from available funds such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of streets, the salaries of Town officials, the maintenance of the Town Library, the observance of Memorial and Veterans Days, care and improvement of cemeteries, care of clocks, care of fire alarms, the use of the Tree Warden, the use of Department of Veterans' Services, salaries of Fire and Police Departments, Retirement Pensions, Town Engineer, or take any action thereon.

ARTICLE 5. To choose any Committee or Committees that may be thought necessary.

ARTICLE 6. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1975, in accordance with the provisions of General

Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, or take any action thereon.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to sell, after giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen, or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

ARTICLE 8. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6 of the General Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

ARTICLE 9. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

ARTICLE 10. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to be expended by the Treasurer for filing fees and the necessary expenses for foreclosing certain Tax Titles now held by the Town, or take any action thereon.

ARTICLE 11. To see if the Town will vote to raise, either by appropriation or transfer from available funds, the sum of Nine Thousand Eight Hundred Dollars (\$9,800.00) for Town Funds to be used in conjunction with and in addition to any funds allotted by the Commonwealth for the construction, reconstruction and improvement of Town Roads, or take any action thereon.

ARTICLE 12. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to add to the Stabilization Fund for the Town of Millbury, or take any action thereon.

ARTICLE 13. To see if the Town will vote to authorize the Board of Assessors to use a sum not in excess of that approved by the Director of Accounts as Millbury's "Free Cash" to reduce the tax rate in 1975, or take any action thereon.

ARTICLE 14. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to sponsor a band concert and fireworks to be held on the 4th of July, 1975, or take any action thereon.

ARTICLE 15. To see if the Town will vote to raise, either by appropriation or transfer from available funds, the sum of Six Hundred Dollars (\$600.00), said monies to be expended for rent, heat, and lights for the quarters of the Devoe-Taylor Post No. 9 of the American Legion, or take any action thereon.

ARTICLE 16. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money for

the purpose of paying all of Philip Day's hospital, medical, dental, surgical, nursing, pharmaceutical, prosthetic, and related expenses incurred as a result of injuries sustained while acting in the performance of his duties as a Fireman, or take any action thereon.

ARTICLE 17. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to purchase two (2) new police cruisers, said purchase to be made by a committee composed of the Board of Selectmen and the Chief of Police, or take any action thereon.

ARTICLE 18. To see if the Town will vote to raise, either by appropriation or transfer from available funds, the sum of Five Thousand Dollars (\$5,000.00) for the purpose of creating a Celebration Fund to be used in conjunction with the Bicentennial Celebration of 1976, or take any action thereon.

ARTICLE 19. To see if the Town will vote to amend the Blackstone Valley Vocational Regional School District Agreement, Section III, by adding "and girls" after the word "Boys," or take any action thereon.

ARTICLE 20. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to purchase a new dump truck, complete with snow plow and automatic sander, for use by the Highway Department, said purchase to be made by a committee composed of the Board of Selectmen and the Highway Surveyor, according to Town By-law, or take any action thereon.

ARTICLE 21. To see if the Town will vote to accept a drainage easement from Millbury Engineering Co., Inc., as shown on a plan entitled "Plan to show drainage easement in Millbury, Massachusetts, on land owned by Millbury Engineering Co., Inc." drawn by Kenneth M. Shaw, and dated March 13, 1974, or take any action thereon.

Said tract is bounded and described as follows:

BEGINNING at a point on the easterly line of South Main Street at the most southerly point of Lot "A" and the most westerly point of lot "B" as shown on Land Court plan #6129B recorded in the Worcester District Registry of Deeds,

THENCE, N 23° 58' 00" by easterly line of South Main Street 35.50 feet to a point.

THENCE, S 53° 58' 00" E 78 feet more or less to the westerly edge of the Blackstone River,

THENCE, southerly by the westerly edge of the Blackstone River 23 feet more or less to a point,

THENCE, N 53° 58' 00" W 55 feet more or less to a point, the last three lines are by land of Millbury Engineering Co., Inc.,

THENCE, N 23° 58' 00" W by the easterly line of South Main Street 4.50 feet to the point of beginning.

ARTICLE 22. To see if the Town will vote to accept a drainage easement from Peter and Louise Kilmonis as shown on a plan entitled "Plan to show drainage easement in Millbury, Massachusetts, property

owned by Peter Kilmonis et ux" drawn by Kenneth M. Shaw and dated July 24, 1974, or take any action thereon.

Said tract is bounded and described as follows:

BEGINNING at the northeasterly corner of said easement, which point is on the southerly side of Carousel Drive, said point is southerly by a curve to the right radius of which is 127.26 feet, a curve to distance of 17.27 feet, from a point opposite station 13+08.13 of said Carousel Drive,

THENCE, S 33° 54' E 203.71 feet, to a point,

THENCE, S 23° 43' 00" W 23.68 feet, to a point,

THENCE, N 33° 54' 30" W 211.20 feet, to a point,

THENCE, by a curve to the left, radius of which is 127.26 feet, for a curve distance of 20.68 feet, to the point of beginning.

ARTICLE 23. To see if the Town will vote to accept a drainage easement from Harold Hayward et als as shown on a plan entitled "Plan to Show Drainage Easement in Millbury, Massachusetts, Property owned by Harold Hayward et als," drawn by Kenneth M. Shaw and dated January 13, 1975, or take any action thereon.

Said tract is bounded and described as follows:

BEGINNING at the northwesterly corner of the easement, which is on the easterly side of Warren Street, and is the most northerly corner of land owned by Bertrand,

THENCE, by a curve to the left, on the easterly side of Warren Street, radius of which is 60.000 feet, for a curve distance of 20.39 feet, to land of the grantor,

THENCE, S 49° 50' 30" E 43.00 feet, more or less, by land of the grantor to a point at the high water line of Dorothy Pond,

THENCE, southwesterly 22 feet, more or less, by the high water line of Dorothy Pond to a point at land of Bertrand,

THENCE, N 49° 50' 30" W 29.59 feet, by land of Bertrand to the point of beginning.

Said easement is for storm drainage purposes and is 20.00 feet in width.

ARTICLE 24. To see if the Town will vote to raise either by appropriation or transfer from available funds, a sum of money for the construction of a catch basin at the southeast corner of Millbury Avenue and Wilson Road intersection, and a connecting storm drain to an existing catch basin at the southwest corner of said intersection, to control a persistent rain run-off problem, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 25. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money necessary to correct a drainage problem (Town easement) between No. 14 and No. 16 Woodland Street, and Buma's property, subject to obtaining necessary easements and the provisions, Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 26. To see if the Town will vote to accept the end of Marion Avenue as a public street, from Henry Street, to the end of Marion Avenue, (approximately 150 feet), or take any action thereon.

ARTICLE 27. To see if the Town will vote to accept Colonial Drive as a public street, or take any action thereon.

ARTICLE 28. To see if the Town will vote to raise either by appropriation or transfer from available funds, a sum of money to install a pipe through a Town drainage easement located between No. 59 and No. 63 West Main Street, subject to the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 29. To see if the Town will vote to raise either by appropriation or transfer from available funds, a sum of money to construct berm curbs on Victoria Terrace from the intersection of High Street, for a distance of approximately 200 feet on the easterly side, and 100 feet on the westerly side of Victoria Terrace, subject to obtaining any necessary easements and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 30. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money necessary to install additional catch basins on Juniper Drive and also on Laurel Drive to insure adequate drainage for excess water problem flow, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 31. To see if the Town will vote to amend the General By-laws by deleting in their entirety, Section 7 and 8 of Article 3 to wit:

Section 7. No action shall be taken on any article contained in the warrant for a town meeting, nor shall any motion be entertained by the Moderator, excepting that of adjournment, unless the attendance of a quorum has been certified by the Town Clerk.

Section 8. A quorum shall be two hundred registered voters., or take any action thereon.

ARTICLE 32. To see if the Town will vote to contract with the Massachusetts Water Works Company, Inc., for the installation of one (1) Fire Hydrant on River Street, near the I.B.A. Print Shop, exact location to be determined by the Board of Fire Engineers, or take any action thereon.

ARTICLE 33. To see if the Town will vote to contract with the Massachusetts Water Works Company, Inc., for the installation of one (1) Fire Hydrant on Woodrow Road, exact location to be determined by the Board of Fire Engineers, or take any action thereon.

ARTICLE 34. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to reconstruct with proper drainage, the street of Laura Lane in its entirety, subject to obtaining any necessary easements and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 35. To see if the Town will vote to raise either by appropriation or transfer from available funds, a sum of money to

correct a severe drainage problem on Wheelock Avenue in the vicinity of Stoney Bridge, so called, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 36. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to install a catch basin on the south side of Railroad Avenue, in front of Pole No. 5, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 37. To see if the Town will vote to amend Article 18 of the General By-laws by deleting the following:

ARTICLE 18. Town of Millbury — Dog Control Law

Section 1. PERMITTING A DOG TO BECOME A PUBLIC NUISANCE. No owner or keeper of any dog shall permit such dog, whether licensed or unlicensed, to become a public nuisance within the Town of Millbury between the hours of 7:00 a.m. to 9:00 a.m.

Section 2. DEFINITION OF TERMS. As used in this By-law unless the context otherwise indicates:

a.) "Dog" shall mean all animals of the canine species, both male and female.

b.) "Owner" shall mean any person or persons, firm, association or corporation, owning, keeping or harboring a dog as herein defined.

c.) "Public Nuisance" Any dog shall be deemed to be a public nuisance if not found to be on the premises of the owner of such dog or upon the premises of another person with the knowledge and expressed permission of such other person, except;

1.) If such a dog is attached to a restraining device and under the care and control of a person competent to restrain said dog so that it shall not be a threat to public safety, and the mere muzzling of said dog shall not satisfy the requirements of this by-law.

2.) If such a dog is being used as a so-called "hunting" dog and is being supervised as such by a person competent to restrain such dog so that it shall not be a threat to public safety.

Section 3. IMPOUNDING.

It shall be the duty of the Dog Officer to investigate complaints concerning any dogs which are alleged to be in violation of this by-law and to apprehend any dog found by him to be a public nuisance and to impound such dog in a suitable place or to order the owner thereof to restrain such dog.

Section 4. NOTICE TO OWNER AND REDEMPTION.

If such a dog so impounded has upon it the name and address of the owner thereof, or if the name of the owner is otherwise known then the Dog Officer shall immediately notify the owner and if the owner is not known, then no notice shall be necessary.

The owner of any dog so impounded may reclaim such dog upon reimbursement to the Dog Officer of his expenses for maintaining such

dog while impounded. In any event, the Dog Officer shall not charge more than Two Dollars (\$2.00) for a reimbursement of said expenses for each twenty-four hour period or any part thereof that the dog is held by him, plus Five Dollars (\$5.00) as a fee for the initial handling of such dog, provided, however, if the dog is not licensed, that before release to any person by the Dog Officer, a license as required by the Town of Millbury shall be secured.

Section 5. DISPOSITION OF UNCLAIMED DOGS.

Any dog which has been impounded and has not been redeemed by the owner within ten (10) days shall be disposed of as provided by Section 151A Chapter 140 of the General Laws of the Commonwealth of Massachusetts and any amendment thereto.

Section 6. PENALTY.

Any owner found in violation of any of the provisions of this by-law shall be punished by a fine of not more than Ten Dollars (\$10.00) in accordance with the following schedule of fines:

a.) For the first offense in any calendar year a fine of Two Dollars (\$2.00) shall be imposed.

b.) For the second offense in any calendar year a fine of Five Dollars (\$5.00) shall be imposed.

c.) For the third and each subsequent offense in any calendar year a fine of Ten Dollars (\$10.00) shall be imposed.

This schedule of fines has been established in accordance with Section 173A Chapter 140 of the General Laws of the Commonwealth of Massachusetts, as amended. All fines provided for in this by-law shall be collected in accordance with Section 174 Chapter 140 of the General Laws of the Commonwealth of Massachusetts.

Section 7. EFFECTIVE DATE.

This by-law shall take effect upon its passage by the Town Meeting of the Town of Millbury, and upon approval of the Attorney General for the Commonwealth of Massachusetts.

Section 8. CONSTRUCTION

No section of this by-law shall be construed to be contrary to the General Laws of the Commonwealth of Massachusetts and shall be interpreted to comply with and supplement such laws.

Section 9. DISPOSITION OF FUNDS

Any funds collected pursuant to the provisions of this by-law by the Dog Officer shall be accounted for and paid to the Town Treasurer at such a time and in such manner as may be designated by the Town Treasurer.

and inserting in place thereof, the following:

Section 1. DEFINITION OF TERMS

As used in this by-law, unless the context otherwise indicates

(a) "Dog" shall mean all animals of canine species, both male and female.

(b) "Owner" shall mean any person or persons, firm, association, or corporation owning, keeping, or harboring a dog, as herein defined.

(c) "Public Nuisance" Any dog shall be deemed a public nuisance if such dog is found to be not on the premises of the owner of such dog or upon the premises of another person with the knowledge and expressed permission of such other person, except

(1) if such dog is attached to a restraining device and under the care and control of a person competent to restrain said dog so that it shall not be a threat to public safety, and the mere muzzling of such a dog shall not satisfy the requirements of this by-law;

(2) if such a dog is being used as a so-called "hunting dog" and is being supervised as such by a person competent to restrain such dog so that it shall not be a threat to public safety.

Section 2. PERMITTING A DOG TO BECOME A PUBLIC NUISANCE PROHIBITED

No owner or keeper of any dog shall permit such dog, whether licensed or unlicensed, to become a public nuisance within the Town of Millbury, at any time.

Section 3. IMPOUNDING

It shall be the duty of the dog officer to investigate complaints concerning any dogs which are alleged to be in violation of this by-law and to apprehend any dog found by him to be a public nuisance and to impound such dog in a suitable place or to order the owner thereof to restrain said dog.

Section 4. NOTICE TO OWNER AND REDEMPTION

If such a dog so impounded has upon it the name and address of the owner thereof, or if the name of said owner is otherwise known, then the dog officer shall immediately notify the owner, and if the owner is not known, then no notice shall be necessary.

The owner of any dog so impounded may reclaim such dog upon the reimbursement to the dog officer of his expenses for maintaining said dog while impounded. In any event, the dog officer shall not charge more than Two Dollars (\$2.00) for reimbursement of said expenses for each twenty-four (24) hour period or any part thereof that the dog is held by him, plus Five Dollars (\$5.00) as a fee for the initial handling of such dog.

Provided, however, if the dog is not licensed, that before release to any person is made by the dog officer, a license as required by the Town of Millbury shall be secured.

Section 5. DISPOSITION OF UNCLAIMED DOGS

Any dog which has been impounded and has not been redeemed by the owner within seven (7) days shall be disposed of as provided by Section 151A, Chapter 140, of the General Laws of the Commonwealth of Massachusetts and any amendment thereto.

Section 6. PENALTY

Any owner found in violation of any of the provisions of this by-law shall be punished by a fine of not more than Ten Dollars

(\$10.00) in accordance with the provisions of Chapter 140, Section 173A of the General Laws of the Commonwealth of Massachusetts.

Section 7. EFFECTIVE DATE

This by-law shall take effect upon its passage by a Town Meeting for the Town of Millbury, and upon approval by the Attorney General for the Commonwealth of Massachusetts.

Section 8. CONSTRUCTION

No section of this by-law shall be construed to be contrary to the General Laws of the Commonwealth of Massachusetts, and shall be interpreted in order to comply with such laws.

Section 9. DISPOSITION OF FUNDS

Any funds collected pursuant to the provisions of this by-law by the dog officer shall be accounted for and paid to the Town Treasurer at such time and in such manner as may be designated by the Town Treasurer.

Or take any action thereon.

ARTICLE 38. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to install a culvert on McGrath Road, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 39. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to correct a drainage problem in the vicinity of 8 Ellenwood Road, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 40. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to install drainage pipe and catch basin or basins at the corner of Millbury Avenue and Glen Avenue, for the purpose of draining and diverting surface water, which creates flooding from said streets. Said location is presently used as a school bus stop, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 41. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to widen and level McCracken Road, starting at the entrance way of Bayer & Mingolla Industries' asphalt plant, to Greenwood Street at the four corners, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 42. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to construct a granite curbed sidewalk on the easterly side of Millbury Avenue, from Hayward Lane to Wilson Road, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 43. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to purchase a new bucket loader for use by the Highway Department, said purchase to be made by a committee composed of the Board of Selectmen and the Highway Surveyor, according to Town By-law, or take any action thereon.

ARTICLE 44. To see if the Town, in consideration of One Dollar (\$1.00), will vote to sell the property and building commonly known as the Highway Garage on River Street, to the Devoe-Taylor Post #9 American Legion, by written agreement and deed, or take any action thereon.

ARTICLE 45. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to blacktop the area around the new fire station in East Millbury, according to the specifications and under the supervision of the Planning Board, or take any action thereon.

ARTICLE 46. To see if the Town will vote to raise, either by appropriation or transfer from available funds, the sum of Nine Hundred and Fifty Dollars (\$950.00) to purchase and install a 1,000 gallon underground fuel tank at the new fire station in East Millbury, purchase and installation to be made by the Board of Fire Engineers, or take any action thereon.

ARTICLE 47. To see if the Town will vote to rescind the following vote which was taken at the Annual Town Meeting March 10, 1951, to wit:

"Voted unanimously that an itemized town report shall be made and printed in the town book every year by the heads of all town departments;" or take any action thereon.

ARTICLE 48. To see if the Town will vote to accept the provisions of the Massachusetts General Laws, Chapter 41, Section 111D, which provides as follows:

CHAPTER 41, SECTION 111D. Vacations for police and firemen. In any city or town which accepts this section, all members of its regular police or fire force may be granted a vacation without loss of pay. Such vacations shall be computed in the following manner:—

For five years' service, but less than ten years' service a vacation of three weeks.

For ten years' service or more, a vacation of four weeks.

Section one hundred and eleven shall not apply to the members of the regular or permanent police or fire force in any city or town. and Chapter 147, Section 16C, which provides as follows:

CHAPTER 147, SECTION 16C. Five day weeks; vote of voters; petition; question on ballot. Members of the police department of every city or town which accepts this section by vote of the city council, subject to provisions of the charter, or by vote of the town at an annual town meeting, as the case may be, or, if said city council or town fails to accept this section, by vote of the voters thereof as hereinafter provided, shall be excused from duty for two days out of every seven without loss of pay.

Upon petition of not less than ten per cent of the registered voters in a city or town, duly certified by the registrars of voters and filed with the city or town clerk not less than thirty days before the regular municipal election of such city in any year, or before the annual town election of such town in any year, or if such petition is filed with the state secretary not less than ninety days before a biennial state election, the city or town clerk or the state secretary, as the case may be, shall cause to be printed upon the official ballot to be used in such city or town at such election the following question:—"Shall the city (or town) accept the provisions of section sixteen C or chapter one hundred and forty-seven of the General Laws providing for a five day week for members of the police forces in cities and towns?" If a majority of the votes in answer to said question in any city or town is in the affirmative, this section shall take full effect therein, but not otherwise.

and Chapter 147, Section 17, which provides as follows:

CHAPTER 147, SECTION 17. Time for days off; effect; emergencies; minimum days annually; effect on annual vacations; time for attending conventions. The time and manner of excusing members of police departments from duty in any town subject to any of the six preceding sections shall be determined by the chief, superintendent or other officer or board at the head of the police department. A member so excused shall be exempt from duty and from attendance at a police station or other place, but otherwise shall be subject to all laws, rules and regulations relating to members of the department to which he belongs. The chief, superintendent or other officer or board at the head of the police department of any such town may, in case of any public emergency, or any unusual demand for the services of the police in that town, prevent any member of the department from taking the day off at the time when he is entitled thereto, or at the time assigned therefor, provided that such day off shall be granted to him as soon thereafter as is practicable. In no case shall the number of such days off be less than twelve in each year in a town subject to section fourteen, or twenty-four in each year in a town subject to section fifteen, or forty-five in each year in a town subject to section sixteen, or fifty-two in each year in a town subject to section sixteen A, or sixty in each year in a town subject to section sixteen B, or one hundred and four in each year in a town subject to section sixteen C, and they shall be in addition to any annual vacation now or hereafter allowed to members of the said departments, and such annual vacation shall not be diminished on account thereof. Members of police departments may be excused from duty and from attendance at a police station or other place for not more than two days in any year without loss of pay while in attendance as an official delegate at the Massachusetts Police Association convention held within the Commonwealth.

or take any action thereon.

ARTICLE 49. To see if the Town will vote to authorize the Board of Sewer Commissioners to petition the Massachusetts General Court for Legislation enabling the Town of Millbury to enter into an agreement with the Town of Sutton to accept from the Town of Sutton, certain wastes to be processed at the Millbury Sewerage Treatment Plant, or take any action thereon.

ARTICLE 50. To see if the Town will vote to allow the Town of Sutton to construct a sewerage system from the Millbury-Sutton

line to the treatment plant facilities, said construction to be paid for by Sutton, or take any action thereon.

ARTICLE 51. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money for the construction of a Septic Waste Handling Facility at the Millbury Sewerage Treatment Plant, and to authorize the Board of Sewer Commissioners to apply and contract for Federal and State Aid for this purpose, or take any action thereon.

ARTICLE 52. To see if the Town will vote to allow the Town of Millbury to join the Upper Blackstone River Water Pollution Abatement District, and that this agreement be made between the Town of Millbury Sewerage Department with Town Counsel and the Upper Blackstone Water Pollution Abatement District, or take any action thereon.

ARTICLE 53. To see if the Town will vote to raise either by appropriation or transfer from available funds, a sum of money to purchase and install a pump and water well system at the Millbury Sewerage Treatment Plant, or take any action thereon.

ARTICLE 54. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to purchase a three-quarter ton, four wheel drive pick up truck, fully equipped, to be used by the Parks and Recreation Department, said purchase to be made by a committee composed of the Board of Selectmen and the Parks and Recreation Department, according to Town By-law, or take any action thereon.

ARTICLE 55. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to correct a drainage problem at the intersection of Sullivan Place with Sycamore Street, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 56. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money for the construction of sewerage laterals to property line in the Town of Millbury from the Millbury-Sutton main line to the treatment plant facilities, or take any action thereon.

ARTICLE 57. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money necessary to pay 75% of the Blue Cross-Blue Shield Master Medical coverage carried by the Town for its employees. This will cover all those who participate in the plan, or take any action thereon.

ARTICLE 58. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to raze the railroad station currently being utilized by the Highway Department. The razing of the building would be in accordance with the executed lease, or take any action thereon.

ARTICLE 59. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 18-5, located on Stowe Road, or take any action thereon.

ARTICLE 60. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 1 on Louis Ballard Lane, or take any action thereon.

ARTICLE 61. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 41-3 on Cristo Lane, or take any action thereon.

ARTICLE 62. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 56 on the corner of Riverlin Street and William Street, or take any action thereon.

ARTICLE 63. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 251 on Grafton Street, or take any action thereon.

ARTICLE 64. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 181, West Main Street, West Millbury, or take any action thereon.

ARTICLE 65. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 2 on Apple Tree Drive (Off Dolan Road), or take any action thereon.

ARTICLE 66. To see if the Town will vote to raise and appropriate a sum of money to install a 3,500 lumen mercury vapor light on Pole No. 170 on West Main Street, or take any action thereon.

ARTICLE 67. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money for the construction of main sewer lines and house connections on all or part of the following streets — Orchard Street, Linda Avenue, Maple Lane, William Street, Mayfair Drive, Mayfair Lane, Lincoln Avenue Extension, and Railroad Court, and to meet said appropriation, a transfer will be made from the Sewer Reserve Account, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 68. To see if the Town will vote to accept the following easement for Water Rights to the Millbury Fire Department from Jonathan W. Windle and Brenda H. Windle, or take any action thereon.

KNOW ALL MEN BY THESE PRESENTS, that, we, Jonathan W. Windle and Brenda H. Windle, of Millbury, in the County of Worcester and Commonwealth of Massachusetts, for ourselves, our heirs, executors, administrators, and assigns, do hereby grant unto said Town of Millbury and its assigns forever, the right to the Town of Millbury's Fire Department, to enter, travel upon and use the land described below situated on Backstrad Road in the Town of Millbury, owned by us and to enter upon said land described below at anytime for the purpose of pumping and using the water in the pond described below to extinguish any emergency caused by fire that might exist in the neighboring area or to enter, travel upon and use the property described below for any purpose that the Fire Department of the Town of Millbury might deem necessary and proper. In consideration for the above stated right, the Town of Millbury will make payment of One Dollar (\$1.00) to Jonathan W. Windle and Brenda H. Windle. Below is a description of a right of way easement to the Millbury Fire Department across land owned by Jonathan W. Windle and Brenda H. Windle.

BEGINNING at an angle point on the southeasterly sideline of Backstrad Road; said point being northeasterly by two courses and

303 feet more or less from the intersection of Backstrad Road and a private way;

THENCE S 35° 36' E, a distance of 200 feet more or less to a point;

THENCE S 54° 24' W, a distance of 150 feet more or less to a point;

THENCE N 35° 36' W, a distance of 198 feet more or less to a point on the southeasterly sideline of Backstrad Road;

THENCE N 49° 08' E along the southeasterly sideline of Backstrad Road, a distance of 38 feet more or less to a point;

THENCE N. 54° 24' E continuing along said southeasterly sideline of Backstrad Road, a distance of 117 feet more or less to the point of beginning.

The above described Easement contains 30,000 square feet more or less.

This Easement does not create any new boundaries.

ARTICLE 69. To see if the Town will vote to accept the following easement for Water Rights to the Millbury Fire Department from Weldon P. Glover, or take any action thereon.

KNOW ALL MEN BY THESE PRESENTS, That, I, Weldon P. Glover, of Millbury, in the County of Worcester and Commonwealth of Massachusetts, for myself, my heirs, executors, administrators, and assigns, do hereby grant unto said Town of Millbury and its assigns forever, the right to the Town of Millbury's Fire Department, to enter, travel upon and use the land described below situated on Mill Street in the Town of Millbury, owned by me and to enter upon said land described below at anytime for the purpose of pumping and using the water in the pond described below to extinguish any emergency caused by fire that might exist in the neighboring area or to enter, travel upon and use the property described below for any purpose that the Fire Department of the Town of Millbury might deem necessary and proper. In consideration for the above stated right, the Town of Millbury will make payment of One Dollar (\$1.00) to Weldon P. Glover. Below is a description of a right of way easement to the Millbury Fire Department across land owned by Weldon P. Glover.

BEGINNING at a point on the westerly sideline of Mill Street at the most northeasterly corner of the Easement to be described; said point being S 03° 30' 15" W and 110 feet more or less from the intersection of the westerly sideline of Mill Street with the southerly sideline of West Main Street;

THENCE S 03° 30' 15" W along the westerly sideline of Mill Street, a distance of 30 feet more or less to a point;

THENCE N 86° 29' 45" W, a distance of 60 feet more or less to a point;

THENCE N 03° 30' 15" E, a distance of 30 feet more or less to a point;

THENCE S 86° 29' 45" E, a distance of 60 feet more or less to the point of beginning.

The above described Easement contains 1800 square feet more or less.

This Easement does not create any new boundaries.

ARTICLE 70. To see if the Town will vote to accept the following easement for Water Rights to the Millbury Fire Department from Colonial Orchards, Inc., or take any action thereon.

KNOW ALL MEN BY THESE PRESENTS, That, Colonial Orchards, Inc., of Millbury, in the County of Worcester and Commonwealth of Massachusetts, for ourselves, our heirs, executors, administrators, and assigns do hereby grant unto said Town of Millbury and its assigns forever, the right to the Town of Millbury's Fire Department, to enter, travel upon and use the land described below situated on Dolan Road in the Town of Millbury, owned by Colonial Orchards, Inc., and to enter upon said land described below at any time for the purpose of pumping and using the water in the pond described below to extinguish any emergency caused by fire that might exist in the neighboring area or to enter, travel upon and use the property described below for any purpose that the Fire Department of the Town of Millbury might deem necessary and proper. In consideration for the above stated right, the Town of Millbury will make payment of One Dollar (\$1.00) to Colonial Orchards, Inc. Below is a description of a right of way easement to the Millbury Fire Department across land owned by Colonial Orchards, Inc.

BEGINNING at a point on the easterly sideline of Dolan Road; said point being southerly by two courses and 134 feet more or less from a stone bound at the intersection of the easterly sideline of Dolan Road and the southerly sideline of South Oxford Road;

THENCE S 86° 35' E, a distance of 130 feet more or less to a point;

THENCE S 03° 25' W, a distance of 75 feet more or less to a point;

THENCE N 86° 35' W, a distance of 130 feet more or less to a point on the easterly sideline of Dolan Road;

THENCE N 03° 25' E along the easterly sideline of Dolan Road, a distance of 75 feet more or less to the point of beginning.

The above described Easement contains 9750 square feet more or less.

This Easement does not creat any new boundaries.

ARTICLE 71. To see if the Town will vote to accept the following Easement for Water Rights to the Millbury Fire Department from George B. Stowe, or take any action thereon.

KNOW ALL MEN BY THESE PRESENTS, That, I, George B. Stowe, of Millbury, in the County of Worcester and Commonwealth of Massachusetts, for myself, my heirs, executors, administrators, and assigns, do hereby grant unto said Town of Millbury and its assigns forever, the right to the Town of Millbury's Fire Department, to enter, travel upon and use the land described below

situated on Carleton Road in the Town of Millbury, owned by me and to enter upon said land described below at anytime for the purpose of pumping and using the water in the pond described below to extinguish any emergency caused by fire that might exist in the neighboring area or to enter, travel upon and use the property described below for any purpose that the Fire Department of the Town of Millbury might deem necessary and proper. In consideration for the above stated right, the Town of Millbury will make payment of One Dollar (\$1.00) to George B. Stowe. Below is a description of a right of way easement to the Millbury Fire Department across land owned by George B. Stowe.

BEGINNING at a point on the northwesterly sideline of Carleton Road at the most northeasterly corner of the Easement to be described; said point being southwesterly and 670 feet more or less from the intersection of the northwesterly sideline of Carleton Road with the southwesterly sideline of Stowe Road;

THENCE Southwesterly along the northwesterly sideline of Carleton Road, a distance of 100 feet more or less to a point;

THENCE Northwesterly, a distance of 100 feet more or less to a point;

THENCE Northeasterly, a distance of 100 feet more or less to a point;

THENCE Southeasterly, a distance of 100 feet more or less to the point of beginning.

The above described Easement contains 10,000 square feet more or less.

This Easement does not create any new boundaries.

ARTICLE 72. To see if the Town will vote to accept the following Easement for Water Rights to the Millbury Fire Department from Albert E. and Dora K. Allaire, or take any action thereon.

KNOW ALL MEN BY THESE PRESENTS, That, we Albert E. Allaire and Dora K. Allaire, of Millbury, in the County of Worcester and Commonwealth of Massachusetts, for ourselves, our heirs, executors, administrators, and assigns, do hereby grant unto said Town of Millbury and its assigns forever, the right to the Town of Millbury's Fire Department, to enter, travel upon and use the land described below situated on Dwinell Road in the Town of Millbury, owned by us and to enter upon said land described at anytime for the purpose of pumping and using the water in the pond described below to extinguish any emergency caused by fire that might exist in the neighboring area or to enter, travel upon and use the property described below for any purpose that the Fire Department of the Town of Millbury might deem necessary and proper. In consideration for the above stated right, the Town of Millbury will make payment of One Dollar (\$1.00) to Albert E. Allaire and Dora K. Allaire. Below is a description of a right of way easement to the Millbury Fire Department across land owned by Albert E. Allaire and Dora K. Allaire.

BEGINNING at a point at the intersection of the southeasterly sideline of McCracken Road with the northeasterly sideline of Dwinell Road, a private way;

THENCE Southeasterly along the northeasterly sideline of Dwinell Road, a distance of 270 feet more or less to a point;

THENCE Southwesterly, crossing Dwinell Road, a distance of 140 feet more or less to a point;

THENCE Northwesterly, a distance of 100 feet more or less to a point;

THENCE Northeasterly, a distance of 100 feet more or less to a point on the southwesterly sideline of Dwinell Road;

THENCE Northwesterly along the southwesterly sideline of Dwinell Road, a distance of 180 feet more or less to the intersection of the southwesterly sideline of Dwinell Road with the southeasterly sideline of McCracken Road;

THENCE Northeasterly along the southeasterly sideline of McCracken Road, a distance of 40 feet more or less to the point of beginning.

The above described Easement contains 21,000 square feet more or less.

This Easement does not create any new boundaries.

ARTICLE 73. To see if the Town will vote to accept Apple Tree Drive as a public way for its entire length as shown on plan entitled "Ramshorn Estates" drawn by Cullinan Engineering Co., Inc., dated July 14, 1972, and recorded with the Worcester County Registry of Deeds, Plan Book 372, Plan 124, or take any action thereon.

ARTICLE 74. To see if the Town will vote to accept L. J. Faron Circle as a public way for its entire length as shown on plan entitled "Plan to show subdivision in Millbury, Massachusetts owned by Warrior Investment Trust Co., dated March 13, 1972, drawn by Kenneth M. Shaw and recorded with the Worcester County Registry of Deeds, Plan Book 364, Plan 68, or take any action thereon.

ARTICLE 75. To see if the Town will vote to accept Elm Court Extension as a public way as shown on a subdivision plan entitled, "Plan to Show Layout and Profile of Elm Court Extension in Millbury, Massachusetts." Drawn by Kenneth M. Shaw, dated September 19, 1966, and recorded with the Worcester County Registry of Deeds, Plan Book 304, Plan 101, from the present acceptance of Elm Court, to the end for a distance of approximately 550 feet, or take any action thereon.

ARTICLE 76. To see if the Town will vote to raise either by appropriation or transfer from available funds, a sum of money for the purpose of restoration of the West Millbury School, or take any action thereon.

ARTICLE 77. To see if the Town will vote to name the Dorothy Pond Tot Lot, the "James S. Dorenzo Tot Lot" in memory of James S. Dorenzo, original founder of said playground, and to further vote to raise, either by appropriation or transfer from available funds, a sum of money to place a suitable monument and plaque at said playground, or take any action thereon.

ARTICLE 78. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to correct a drainage problem on Davis Road in the vicinity of Hall's property, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 79. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to correct a drainage problem in the vicinity of Burbank Street School, subject to obtaining any necessary easements, and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 80. To see if the Town will vote to raise, either by appropriation or transfer from available funds, a sum of money to correct a drainage problem on South Oxford Road in the vicinity of the West Millbury Cemetery, subject to obtaining any necessary easements and the provisions of Chapter 131, Section 40, Wetlands Protection Act, or take any action thereon.

ARTICLE 81. To see if the Town will vote to adopt the Personnel Administration Plan as proposed by the Millbury Personnel Board under the provisions of Article 11 of the General By-laws of the Town of Millbury and in accordance with the General Laws of the Commonwealth of Massachusetts, Chapter 41, Section 108A, copies of which have been posted in the Town Hall and are on file in the Town Clerk's Office, or take any action thereon.

ARTICLE 82. To see if the Town will vote to amend the Millbury Zoning By-law by amending Section 35 Environmental Controls and adding the following new subsection:

"35.6 Fences. No fence, wall or hedge shall exceed 6 feet in height, and no fence shall exceed thirty inches in height within any required front yard area or within twenty feet of the street, whichever is the lesser requirement, except that the Board of Appeals may grant a Special Permit for higher fences in cases where such will not endanger health or safety, or unreasonably impair vision or circulation of air."

or take any action thereon.

ARTICLE 83. To see if the Town will vote to amend the Millbury Zoning By-law as follows, or take any action thereon.

1. Amend Article 5. Definitions by adding the following definition:

"Residential Social Service Facility — A dwelling where care and supervision licensed, contracted, or supervised by a federal or state agency, is provided to individuals who are handicapped, aged, disabled, or undergoing rehabilitation. Includes half-way houses, but not nursing homes or foster homes."

2. Amend Section 22.2 (special permit uses in a Residential District), 23.2 (special permit uses in a Suburban District), and 24.2 (special permit uses in a Business District) by adding to the list of uses under each of them the following:

"Residential social service facility"

*provided that all building code, health, and zoning by-law requirements are met, and that the specific premises are not unsuitable in relation to the needs of the persons being cared for, and in consideration of avoidance of undue concentration of such facilities in any neighborhood."

ARTICLE 84. To see if the Town will vote to amend the Zoning By-law by inserting the following:

"Section 45. Swimming Pools. Each swimming pool, whether "public" or "private" as defined at Section 422.2 of the Commonwealth of Massachusetts State Building Code, shall be enclosed by a fence not less than four (4) feet (48") in height, which shall completely enclose the swimming pool and surrounding walks and diving platforms. Each fence must have a gate that shall be locked when such pool is not being used or is unattended. The latching device shall be located a minimum of three (3) feet from grade level, and a locking device attached thereto.

Fencing for above ground pools with side walls of four (4) feet or more shall be deemed to be complied with if there is a ladder that may be raised, removed, secured, hoisted or locked in a raised position. Pools with side walls less than four (4) feet must be fenced according to the above.

Each fence and gate shall be constructed either of wire mesh, wood or concrete blocks. Posts and cross pieces of any fence shall be placed on the inside or pool side of said fence. Mesh or openings in fence shall be no larger than two inches wide and four inches high (2"x4"). All metal fences, enclosures, or railings to which bathers have access near or adjacent to a swimming pool, and which may become electrically alive as a result of contact with broken overhead conductors, or from any other cause, shall be effectively grounded. All lighting and electrical equipment shall be installed according to the National and State Electrical Codes, and shall comply to local inspection and permit requirements."

or take any action thereon.

ARTICLE 85. To see if the Town will vote to amend the Millbury Zoning By-law by deleting Section 35.21, which reads as follows:

"Other provision notwithstanding, no building or parking area shall be located within fifty horizontal feet of the normal bank of any stream or river having a year-round running flow of water, or of any lake or pond with surface of one thousand square feet or more of water eleven months of the year, and no sewage leaching field shall be located within 100 feet of such water bodies."

and inserting in place thereof, the following:

"Other provisions notwithstanding, no building or parking area shall be located within fifty horizontal feet of the normal bank of any stream or river having a year-round running flow of water, or of any lake or pond with surface of one thousand square feet or more of water eleven months of the year.", or take any action thereon.

ARTICLE 86. To see if the Town will vote to amend the Millbury Zoning By-law as follows:

1. Replace the footnote referenced by "*" at Section 22.3 and by "1" at Section 24.3 which presently reads, "For each dwelling unit

in excess of two, increase lot area by 4000 square feet plus 600 square feet per bedroom" with the following at each of these locations:

"For two-family dwelling, increase lot area by 50 per cent. For dwelling units in excess of two, increase lot area above two-family requirement by 4,000 square feet per additional dwelling unit plus 600 square feet per additional bedroom."

2. Replace the footnote referenced by "*" at Section 23.3 which presently reads, "For each dwelling unit in excess of two, increase lot area by 5,000 square feet plus 800 square feet per bedroom" with the following:

"For two-family dwellings in Suburban I, increase lot area by 50 percent (No change in Suburban II). For dwelling units in excess of two, in either Suburban I or Suburban II, increase lot area above two-family requirement by 5,000 square feet per additional dwelling unit plus 800 square feet per additional bedroom."

3. Insert Section 32.7, to read as follows:

"32.7 DWELLING EQUIVALENTS. Each two guest units in a hotel or motel, each four beds in a hospital or nursing home, and accommodations for four persons in a boarding house, residential social service facility, dormitory, or other group living arrangement shall be considered equivalent to a dwelling unit in determining required lot area."

or take any action thereon.

ARTICLE 87. To see if the Town will vote to amend the Millbury Zoning By-law by deleting Section 44, Open Space Community, which reads as follows:

SECTION 44. OPEN SPACE COMMUNITY

44.1 The Board of Appeals may grant a special permit for the construction and occupancy of an Open Space Community in a Suburban District, subject to the following regulations and conditions.

44.2 The intent of Open Space Communities is to allow relatively intensive use of land, while at the same time preserving open space for conservation and recreation; to introduce variety and choice into residential development; and to facilitate economical and efficient provision of public services.

44.3 Applicants for a permit for an Open Space Community shall submit to the Board of Appeals five copies of an application and of a plan meeting the specifications for a "preliminary Plan" as established by the *Subdivision Regulations* adopted by the Millbury Planning Board. Said plan shall also indicate proposed building uses (single-family, multi-family, retailing, etc.), building locations, and development schedule, and shall have been prepared by a landscape architect or registered architect or civil engineer.

44.4 Forthwith upon receipt of the application and required plans, the Board of Appeals shall transmit two copies of all these materials to the Planning Board, and one copy each to the Board of Health and Conservation Commission for their review and recommendation.

44.5 In considering Special Permits under this paragraph, the Board of Appeals shall give consideration to the reports of the Planning Board, Board of Health, and Conservation Commission, and to the degree to which the proposed development conforms to the intent of Open Space Communities outlined in Section 44.2 above.

44.6 Any Open Space Community must conform to the following (except as provided in Section 44.7).

44.61 The community shall comprise at least 50 dwelling units on land contiguous except for intervening roads.

44.62 The total number of dwelling units shall not exceed the number for which the tract could have been developed, but for the provisions of this Section, as determined by the Board of Appeals.

44.63 Minimum lot area and frontage requirements for single-family dwellings shall equal 50% of those prescribed by Section 22.3. Multi-family dwellings and attached single-family dwellings shall be allowed, and shall be located on parcels containing not less than 900 square feet of open space per dwelling unit, exclusive of structures and parking.

Side and rear yard requirements of Section 22.3 shall apply where the Open Space Community abuts other property, and are waived elsewhere. All other provisions of Section 22.3 shall be complied with.

44.64 Retail stores, offices and service outlets deemed by the Board of Appeals to be primarily servicing the residents of the Open Space Community shall be allowed, provided that not more than 5% of the overall land area of the development tract is allocated to such use, and at no time does the gross floor area occupied for such uses exceed 5% of the gross floor area of all structures occupied within the development tract.

44.65 All land not designated for roads, dwellings or business within the Community shall be preserved for recreation, conservation or public use, and shall comprise not less than 30% of the land area within the development tract. Preservation shall be guaranteed through one or more of the following:

- 1) Dedication to and acceptance by the Town of Millbury.
- 2) Dedication to and acceptance by the Millbury Conservation Commission.
- 3) Dedication, by covenant or comparable legal instrument, to the community use of the owners of the lots within the development tract and a Conservation Restriction deeded to the town, the land to be used for recreational purposes serving residents of the tract and non-paying guests only. Building coverage shall not exceed 5% in such dedicated areas. Maintenance shall be permanently assured through an incorporated home association, operating under a recorded land agreement through which each lot owner in the development is automatically a member and each lot is subject to a charge for a share of the homes association expenses; or through comparable arrangement satisfactory to the Board of Appeals.

44.66 Subsequent to approval of such Open Space Community, no land therein shall be sold and no lot line or structure altered so as

to increase the extent of non-conformity with the provisions of Section 22.3 of this By-law.

44.7 A parcel located in a Suburban district, and containing 10 contiguous acres or more may be developed as an Open Space Community under the following conditions:

a) Section 44.62, 44.65, and 44.66 shall be complied with.

b) Sections 44.61, 44.63, and 44.64 shall not apply.

c) Lots located in the Suburban II District shall be governed by the Suburban I District lot area, frontage, and yard regulations, and lots located in the Suburban I District shall be governed by the Residential District regulations of Section 21.3.

And inserting in place thereof, the following:

"SECTION 44. OPEN SPACE COMMUNITY

44.1 APPLICABILITY

The Board of Appeals may grant a special permit for the construction and occupancy of an Open Space Community in any except Industrial districts, provided that the Community contains at least 10 contiguous acres, and subject to the following regulations and conditions.

44.2 INTENT

The intent of Open Space Communities is to allow relatively intensive use of land, while at the same time preserving open space for conservation and recreation; to introduce variety and choice into residential development; and to facilitate economical and efficient provision of public services.

44.3 PROCEDURES

44.31 Pre-Application Review. To promote better communications and avoid misunderstanding, applicants are encouraged to submit preliminary materials for informal review by both the Board of Appeals and the Planning Board prior to formal application. Preliminary Subdivision Plans, if any, should be submitted to the Planning Board prior to application for a special permit.

44.32 Application. Applicants for a special permit for an Open Space Community shall submit to the Board of Appeals five copies of an application and an Overall Development Plan. All land shown on such plan must be contiguous, except for streets, though not necessarily in one ownership. If the plan involves more than one ownership, each owner of land included in the plan shall be a party to the application and, upon plan approval, subject to its provisions.

44.33 Overall Development Plan. The Overall Development Plan shall indicate location and boundaries of the site, proposed land and building uses, location of common open space, existing topography, grading plan, location and width of streets and ways, parking, areas of proposed and retained vegetation, distinctions between upland and wetland, drainage, sewerage, and height, bulk, use, and location of any proposed structures. The plan shall have been prepared by a registered landscape architect, architect, civil engineer, or land surveyor.

44.34 Other Materials. The application materials shall indicate each landowner's interest in the land to be developed, the form of organization proposed to own and maintain the common open space, the substance of covenants and grants of easements to be imposed upon the use of land and structures, and a development schedule.

44.4 DECISION

44.41 Review and Decision. Forthwith upon their receipt of the application and required plans, the Board of Appeals shall transmit two copies to the Planning Board and one copy each to the Board of Health and Conservation Commission. The Planning Board, Board of Health, and Conservation Commission shall submit reports to the Board of Appeals within 45 days of the application date, and the Board of Appeals shall make no decision upon the application until receipt of all such reports, or until 45 days have lapsed since date of application without such reports.

44.42 Criteria. Approval of an Open Space Community shall be granted only upon Board of Appeals determination that the plan complies with the requirements of Section 44.5, and that the plan is superior to a conventional one in preserving open space for conservation or recreation; in utilizing natural features of the land; in allowing more efficient provision of streets, utilities, and other public services; and at least equal to a conventional plan in other respects. Means of achieving these objectives include:

- Avoidance of frequent driveway openings onto through streets, or near street intersections.

- Avoidance of extensive topographic change necessitating vegetation and tree removal.

- Preservation of scenic views from public ways.

- Preservation of natural landscape in large contiguous areas, enhancing the likelihood of continuation of existing ecosystems.

- Contiguity with preserved open space for a large proportion of the lots having reduced lot area.

- Variations in lot sizes and building arrangements.

- Use of Common Open Space to protect valuable natural environments such as stream valleys, outstanding vegetation, or scenic spots, and to avoid development on geologically unsuitable land.

- Avoidance of access via existing minor streets servicing single-family homes, especially where multi-family dwellings are sited.

44.5 REQUIREMENTS

An Open Space Community must conform to the following:

44.51 Number of Dwelling Units. The maximum number of single-family dwelling units allowed in an Open Space Community shall equal the 'Applicable Land Area' divided by the normal minimum lot area requirement for a single-family dwelling in that district, then rounded to the nearest whole number. The maximum number of multi-family dwelling units allowed within an Open Space Community shall equal two times the difference between the number of single-family dwelling units allowable under the preceding sentence, and the number

of single-family dwelling units proposed to be developed within the Open Space Community. 'Applicable Land Area' shall be calculated by a registered land surveyor, and shall be equal to the total area encompassed by the Overall Development Plan, minus:

- Land within a flood plain as defined by Section 36.1.
- Fresh water wetlands, as defined in Section 40, Ch. 131, G.L.
- Land having slopes in excess of 25%.
- Land designated on the plans for uses not primarily servicing residents of the development.
- Land previously prohibited from development under a Conservation Restriction held by the Conservation Commission.
- Land otherwise prohibited from development by local or state bylaw, regulation, or statute.

Where the Community includes more than one ownership, and/or lies in more than one district, the number of units allowed shall be calculated as above for each district and summed to give an overall allowable total, which may be located on the plan without respect to allowable subtotals by district or ownership areas.

44.52 Dimensional Requirements. Usual dimensional requirements as they apply to individual lots shall be as follows, rather than as specified in Article 2, except that the requirements of Article 2 apply in determining the total allowable number of dwelling units under section 44.51.

DISTRICTS

	Residential, Business A or B	Suburban I	Suburban II
Min. lot area	8,000 s.f.	10,000 s.f.	16,000 s.f.
Min. lot frontage	50 ft.	80 ft.	125 ft.
Min. front yard	25 ft.	25 ft.	25 ft.
Min. side or rear yard	10 ft.	10 ft.	10 ft.
Max. lot coverage	30%	30%	30%
Max. building height	30 ft.	30 ft.	30 ft.

44.53 Use requirements. Uses to be allowed or allowed on special permit shall be as specified in Section 2. However, in developments containing at least 50 dwelling units, retail stores, offices, and service outlets deemed by the Board of Appeals to be primarily servicing the residents of the Open Space Community may be allowed, provided that if located in a Residential or Suburban District, not more than 5% of the overall non-business zoned land area of the development tract is allocated to such use, and at no time does the gross floor area of all structures occupied for such uses exceed 5% of the gross floor area of all structures occupied within the non-business zoned portions of the development tract. Multi-family units shall only be allowed where serviced by public water and where access to them from a major street does not require use of a minor street substantially developed for single-family houses, and provided that there are not more than 24 dwelling units in a single structure.

44.54 Open Space. All land not designated for roads or lots for dwellings or other development within the Open Space Community shall be reserved for common use of the residents of the development or for public use. Common Open Space shall be preserved for recreation or conservation, or public use, and shall comprise not less than 30% of the total land area within the Overall Development Plan. Preservation of Common Open Space shall be guaranteed through one or a combination of the following, which shall be stipulated in the Special Permit:

a) Conveyance to and acceptance by the Town of Millbury.

b) Conveyance to and acceptance by the Millbury Conservation Commission.

c) Dedication, by covenant or comparable legal instrument, to the community use of the residents of the development tract, for recreational or conservation purposes, with active uses serving those residents and their non-paying guests only. Structures shall be erected thereon only incidental to one or more of the foregoing uses. Building coverage shall not exceed 2% in such dedicated areas, and building height shall not exceed 15 feet. Ownership of common open space shall be arranged and maintenance shall be permanently assured through an incorporated homes association, condominium deeds, or other recorded land agreement through which each lot owner in the development is automatically involved and each lot is subject to a charge for a share of the maintenance expenses; or through comparable arrangement satisfactory to the Board of Appeals. In addition the town shall be granted an easement or restriction over such land sufficient to ensure its perpetual reservation for conservation, recreation, or park land.

44.6 LATER CHANGE

No lot shown on a plan for which a Permit has been granted for an Open Space Community may be further subdivided so as to increase the number of lots, and no structure may be altered so as to increase the number of dwelling units, unless approved on Special Permit following a hearing by the Board of Appeals.

44.7

Prior to issuance of an occupancy permit or sale of any lot within an Open Space Community, all lots to be so developed shall be shown on a plan recorded in the Registry of Deeds or registered with the Land Court, and a covenant or other instrument satisfactory to the Board of Appeals shall have been executed assuring the conservation or recreational use of lands so designated in the application." or take any action thereon.

ARTICLE 88. To see if the town will vote to adopt the following bylaw:

"Article 16. Commonwealth of Massachusetts State Building Code

Purpose: The purpose of this bylaw is to make provisions complementary to those of the Commonwealth of Massachusetts State Building Code ("Basic Code") in order to ensure its appropriate application and effective administration in the Town of Millbury.

SECTION 1. INSPECTOR OF BUILDINGS

The Board of Selectmen shall annually, following the town meeting, appoint an Inspector of Buildings, who shall hold office for the term of one year or until such time as his successor is appointed. The Inspector of Buildings shall be the head of a municipal department called the Building Department.

The compensation of the Inspector of Buildings shall be as established by the Selectmen.

SECTION 2. PERMIT FEES

A schedule of fees for permits as authorized under Section 118.0 of the Basic Code shall be as established and revised from time to time by the Board of Selectmen.

SECTION 3. FIRE DISTRICTS

'Fire District No. 2' as referred to at Section 301.2 of the Basic Code shall comprise all areas in 'Business A or B' or 'Industrial A or B' districts as established in the Millbury Zoning Bylaw as most recently amended.

No 'Fire District No. 1' is established.

All other areas not included in Fire District Nos. 1 and 2 are designated as 'Outside Fire Limits!'" and further to see if the town will vote to rescind all materials adopted under Article 81 of the Annual Town Meeting, March 4, 1972. or take any action thereon.

ARTICLE 89. To see if the Town will vote to raise, either by appropriation or transfer from available funds, the sum of Nine Thousand Eight Hundred Dollars (\$9,800.00) to be used in conjunction with and in addition to any funds allotted by the County for the construction, reconstruction, and improvement of Town Roads, or take any action thereon.

ARTICLE 90. To see if the Town will vote to accept the sum of Thirty-Three Thousand Nine Hundred Thirty-Four Dollars (\$33,934.00) from Chapter 825, Section 1, for placement in a Highway Department Working Account in order to supplement the Highway Department Budget, or take any action thereon.

ARTICLE 91. To see if the Town will vote to raise, either by appropriation or transfer from available funds, the sum of Twenty-Two Thousand Two Hundred Seventy-Four Dollars (\$22,274.00) for the construction and/or improvement of Town Roads as requested by the Board of Selectmen, to be reimbursed from the Commonwealth under Chapter 765, Section 4, Acts of 1972, or take any action thereon.

ARTICLE 92. To see if the Town will vote to accept Hemlock Drive and Brenda Drive as public ways as shown on a sub-division plan entitled "Plan to show Subdivision of Property in Millbury, Massachusetts, owned by Raymond Bernard" dated May 7, 1971, drawn by Kenneth M. Shaw and recorded with the Worcester County Registry of Deeds Plan Book 352, Plan 77 for their entire length, or take any action thereon.

The polls will open a 8:00 a.m. and shall be closed at 6:00 p.m.

Given under our hands this Eighteenth day of February in the year of our Lord, One Thousand Nine Hundred and Seventy-Five.

And you are directed to serve this warrant by posting up an attested copy thereof at each of the Post Offices, in the Town and in addition such public places in Bramanville, East Millbury, Dorothy Pond and in said Town, as the Selectmen may in the Warrant direct Seven Days at least before the time of holding said meeting.

Hereof, Fail not, and make due return of this Warrant with your doings thereon to the Town Clerk, at the time and place of meeting, as aforesaid.

SELECTMEN OF MILLBURY

JOHN S. DONNELLY, JR.

HYMEN J. HY SCLAR

HAROLD F. OSTROWSKI

On March 16, 1915, the Carnegie Corporation of New York awarded a \$12,500 Library Construction Grant to the Town of Millbury. Acting on a Resolution passed by the Board of Selectmen to maintain a Public Library at a \$1,250 per year cost to the Town, the Carnegie Corporation donated monies for building, design, and erection.

The Library Architect was W. H. & Henry McLean of Boston. Building construction was initiated some time after March, 1915, and completed shortly before August 28, 1916.

In response to the Bicentennial Spirit, the history-rich Town Library covers the Annual Town Report.
